*Acting Collector.*

Kurnool, 17th March 1867.

*Proceedings of the Madras Government, Revenue Department,*
**17th *July* 1867.**

1. From the Tabular Statement of lapsed Yeomiahs, submitted to the Board on the 27th April 1847, it appears that Moideen Padshah, who enjoyed a monthly allowance of Rupees 121-14-0, died in that year, leaving behind him a widow and two grand-daughters, one of whom was then unmarried. In their Order, dated 19th August 1848, the Government of India allowed a life-grant of Rupees 35 per mensem to the widow for the support of herself and the unmarried grand-daughter.

2. The Acting Collector now reports that the widow died on the 4th January last, and he recommends that half the allowance, viz., Rupees 17½, may be granted to the grand-daughter, who participated in it, and whose name is Hussain Bee, for life.

3. The Tabular Statement now submitted shews that the original grantee had two other widows, whose names were not entered in the Statement of 1847. These, as well as the married grand-daughter referred to above, are said to have been maintained from the allowance drawn by the deceased widow.

5. In sanctioning the allowance of 35 Rupees in 1847, the Government did not intend to allot any portion of it to the married grand-daughter, who must depend on her husband for maintenance, and Hussain Bee, the other grand-daughter, if she have been since married, cannot now expect to obtain what has been denied to her sister.

6. Mr. Chase will, therefore, be good enough to submit a full report with reference to the foregoing remarks.

7. It was not necessary that he should have forwarded a letter with this application.

No. 268. Proceedings of the Board of Revenue, dated 2nd July 1867, No. 4,115:—

Read the following letter from the Collector of Kurnool, to the Sub-Secretary to the Board of Revenue, dated 17th May 1867, No. 131.

1. With reference to the Proceedings of the Board of Revenue, dated 9th instant, No. 2,855, I have the honour to state, that the records in the Office shew that the two Nicka widows of the late Moideen Padshaw were reported upon by the Cazy, when bringing the claims of Khader Sahib Beebee to the notice of the then Commissioner; Mr. Philips appears to have omitted them, because they were at Hyderabad at the time, and did not put in their respective claims. These ladies since returned to Kurnool and lived with the deceased Khader Sahib Beebee.

2. Hussain Bee, the grand-daughter of the deceased, for whom I have recommended that half the pension of the deceased, viz., Rupees 17-8-0, may be sanctioned, was married, but is now a widow; she has no children. I, therefore, recommend that the pension be sanctioned for the support of the family in the name of the widow Hussain Bee.

---

1. Submitted to Government for sanction.

2. The original pension of Rupees 121-14-0 per mensem was granted by the Nabob of Kurnool about the year 1837, in lieu of certain resumed Jaghire villages.—(Board's Proceedings, dated 3rd July 1848, No. 340.)

3. Moideen Padshah, the grantee, died on the 17th March 1847, and Rupees 35 per mensem out of his allowance, the remainder of which lapsed, was conferred

on his widow Khader Sahib Beebee, for the support of herself and an unmarried grand-daughter named Hussain Beebee. Moideen Padshah had two other widows, who had been married to him by the Nicka ceremony, and these it appears, as well as a married grand-daughter, were also supported from the pension.

4. Khader Sahib Beebee died on the 4th January last. Hussain Beebee has been married, but is now a widow. The Collector recommends that a pension of Rupees 17½ per mensem may be granted her for the support of herself and of the other members of the family.

No. 269. ORDER THEREON, 17th July 1867, No. 1,583.

**Miscellaneous.**

1. From the letter to the Government of India, dated 27th July 1848, it appears that this Government recommended the continuance of an allowance of Rupees 35 monthly to the widow Khader Sahib Bibi, now deceased, for the support of herself and her (then) unmarried grand-daughter, Hoossain Bibi, who is now herself a widow, in consideration of the reduced circumstances of the family whose late head, Moideen Padshah, was "a Mashayek of "some note, who received under a "recent* grant of the Nabob of Kurnool "a money-allowance of Rupees 121-14-0 per mensem, in lieu of certain resumed "Jaghire villages estimated at a rental of 3,000 to 5,000 Rupees."

* *Note.*—It was apparently made about ten years prior to this application.

2. The Supreme Government granted the allowance recommended "for "life in the name of Khader Sahib Bibi" * * "for the support of herself and "her unmarried grand-daughter."

3. It now appears that Moideen Padshah left two other Nicka widows, whose claims seem to have been omitted at the time of the original recommendation, because they were then at Hyderabad and did not assert any, but who subsequently returned to Kurnool and lived with the deceased grantee of the allowance, Khader Sahib Bibi.

4. As these ladies, Bhima and Hussain Bi, aged respectively forty and fifty-five years, and Hussain Bibi, the widowed grand-daughter of Moideen Padshah, now aged some thirty years, are still living, and were dependent for their subsistence on the allowance received by the deceased Khader Sahib Bibi, the Government resolve to recommend to the Government of India that the allowance granted to the latter, in the letter dated 19th August 1848, No. 640, Home Department, Revenue, be continued to them jointly for their maintenance, to be reduced by one-third on the occasion of each lapse among them.
