Proceedings of the Madras Government, Revenue Department, 20th July 1867.

No. 407. Read the following Proceedings of the Board of Revenue, dated 15th July 1867, No. 4,418.

Read the following letter from the Acting Collector of Madras, to the Secretary to the Board of Revenue, dated Sydapet, 2nd July 1867, No. 201 :—

1. Captain Magnay, the Executive Engineer in charge of the Madras Water-Works project, having applied to Mr. Fane for permission to take possession of the whole strip of land lying immediately under the land of the Solaverum tank in the Ponneri talook, and a similar strip under the bund of the Red Hill tank to a distance of seventy yards from the bund to enable him to excavate earth for raising the bund, Mr. Fane sent orders to the Tahsildars of Ponneri and Sydapet to negotiate with the owners thereof, but as neither of these officers have been able to come to satisfactory terms with the owners of the land, and have experienced considerable difficulty in securing the attendance of the owners, I have the honour to request the order of Government to take up the land at once under the provisions of Act VI of 1857.

2. I annex below the specification of the land to enable the Government to make the declaration as required by Section 2, Act VI of 1857 :—

Specification.

I. The whole strip of land extending from one extremity of the Solaverum tank-bund to the other extremity and lying immediately under the bund itself, and measuring seventy yards in breadth.

II. A similar strip of land lying immediately under the Red Hill tank-bund (seventy yards broad) and extending from one extremity of the bund to the other extremity.

Submitted to Government, with the Board's recommendation that the usual Declaration be made under the Act.

No. 408. ORDER THEREON, 20th July 1867, No. 1,650.

Miscellaneous.

1. The Governor in Council resolves that the following Declaration be made and recorded under Section 2 of Act VI of 1857 :—

"Whereas the whole strip of land in the Ponneri Talook, Madras District, "extending from one extremity of the Solaverum tank-bund to the other extremity "and lying immediately below the bund itself, and measuring seventy yards in "breadth, and also a similar strip of land seventy yards broad, lying immediately "below the Red Hill tank-bund and extending from one extremity of the bund to "the other extremity, are required for the purpose of excavating earth in order to "raise the bund of the Red Hill tank, the Governor in Council in exercise of the "authority vested in him by the provisions of Act VI of 1857, does hereby declare "the said land to be land required for a public purpose."

Proceedings of the Madras Government, Revenue Department,
20th July 1867.

2. The Governor in Council also resolves, under Section 3 of the said Act, to direct Mr. G. Thornhill, Acting Collector of the Madras District, to take the necessary measures for the acquisition of the said land, and to adjust the claims to compensation on account of it in the manner provided by the Act.
