Proceedings of the Madras Government, Revenue Department, 20th July 1867.

Read the following papers :—

No. 421. Proceedings of the Board of Revenue, dated 20th June 1867, No. 3,816.

Read the following letter from the Sub-Collector of Madras, to the Secretary to the Board of Revenue, dated —— June 1867.

1. I have the honour to request that you will apply for sanction of Government to allow the Civil Paymaster to pass my fixed tentage from February 26th to May 26th.

2. The tentage has been disallowed on the ground that, during the period in question, I was acting in an appointment in which it is not necessary to keep up tents.

3. I stood appointed to the Sub-Collectorate of Madras, and had the prospect of reverting to that appointment at the expiration of the three months during which I was appointed to act. I kept up my tents during the interval.

——

The foregoing letter should, in the regular course, have been submitted to Government through the Accountant General. As, however, Mr. MacGregor has now left the country, his application will be forwarded to Mr. Lushington, with the Board's request that it may be submitted for the favourable consideration of Government. The Board consider that, under the spirit of the recent ruling of Government* on the subject, Mr. MacGregor is entitled to his fixed tentage.

* G. O., 15th February 1867, No. 380.

To the Secretary to Government, Revenue Department,
through the Accountant General.

——

No. 422. From the Acting Accountant General, to the Secretary to Government, Revenue Department, dated Fort Saint George, 17th July 1867, No. 128.

1. In forwarding, for the consideration and orders of Government, the accompanying Proceedings of the Board of Revenue, No. 3,816, dated 20th ultimo, the undersigned has the honour to state that Mr. MacGregor's claim to tent allowance while acting as Resident of Travancore was disallowed on the ground† that a Revenue Officer acting in any appointment not in the Revenue line should not be granted that allowance, but should look for remuneration to his deputation allowance only; also because tent allowance is not attached to the appointment of Resident.

† *Vide* G. O., dated 13th September 1861, No 1,818, paragraph 5.

2. Mr. MacGregor urges, however, that being a Revenue Officer, and expecting to revert to his Revenue appointment, he continued to maintain his tents, and as Government have, upon similar grounds, granted the allowance in several instances, it rests with them to determine whether Mr. MacGregor's request can be complied with.

Proceedings of the Madras Government, Revenue Department, 20th July 1867.

No. 423. ORDER THEREON, 20th July 1867, No. 1,658.

Miscellaneous.

1. The Government sanction payment of Mr. MacGregor's fixed tentage for the time during which he acted for Mr. Newill, absent on privilege leave.

2. They desire the Accountant General and Examiner of Claims to adopt the rule that temporary employment in an office where tents are not required, during the absence of the incumbent on *privilege* leave, shall not deprive the acting officer of the fixed tentage attaching to his substantive appointment, to which he will revert after three months' absence at most.
