With reference to the correspondence noted in the margin on the deficiency found in the Munginapudy Salt Cash Chest on its being opened after the cyclone of 1st November 1864, I have the honour to report that out of the deficit of Rupees 769-9-0, for which the late Shroff of that Kotar was made accountable, Rupees 604-1-6 have been collected from his surety, and by the sale of his attached property, leaving a balance of Rupees 165-7-0, for the recovery of which there is no property of the defaulter who has since died. I request, therefore, the Board will be pleased to sanction the latter sum to be written off the accounts to Profit and Loss.

Submitted to Government, in continuation of the Board's Proceedings, dated 6th September 1865, No. 5,500. It appears from the Collector's letter that out of the deficiency of Rupees 769-9-0 found in the Munginapudy Salt Cash Chest, a sum of Rupees 604-1-6 has been recovered, and that the balance of Rupees 165-7-6 is irrecoverable. The sanction of Government will be requested for writing off this sum to Profit and Loss.
