*Proceedings of the Madras Government, Revenue Department, 22nd July 1867.*

Read the following papers :—

No. 430. Proceedings of the Board of Revenue, dated 18th May 1867, No. 3,071.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 11th May 1867, No. 113.

There is an old and ruined building at Mettapolliem, which was formerly used as a Cutwal's Office. Its area is 126 square yards. The Reverend Mr. Haslam wishes to purchase it with its site, in order to erect a School-house on the latter. I request the Board's sanction to sell the old materials and site by public auction, to be duly notified in the District Gazette, to the highest bidder.

---

The Collector is requested to ascertain, in the first instance, whether the site or building is likely to be required by any other department of Government.

---

No. 431. Proceedings of the Board of Revenue, dated 12th July 1867, No. 4,360.

Read again letter from the Collector of Coimbatore, dated 11th May 1867, No. 113, recorded in Board's Proceedings, dated 18th idem, No. 3,071.

Read also the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Ootacamund, 10th June 1867, No. 132.

In reply to Proceedings of the Board of Revenue, dated 18th May 1867, No. 3,071, I have the honour to inform you that on reference to Colonel Walker, Superintending Engineer, and to Captain Balmer, Superintendent of Police, I have ascertained that the old materials and site at Mettapolliem are not required by their departments, and that I know of no other Public Department to which they are likely to be of any use. The building as a building is useless; the old materials alone are likely to be of any value.

---

Submitted to Government, with the Board's recommendation that the ruined building at Mettapolliem with its site may be sold by auction to the highest bidder.

---

No. 432. ORDER THEREON, 22nd July 1867, No. 1,662.
