No. 433. Read the following Proceedings of the Board of Revenue, dated 13th July 1867, No. 4,385.

Read the following letter from the Collector of South Arcot, to the Secretary to the Board of Revenue, dated Cuddalore, 21st June 1867, No. 154 :—

1. In reference to the Accountant General's letter to the Board, dated 18th instant, No. 1,538, copy of which was communicated to me for information, I have the honour to state that the changes in the Salt Establishments of Teagavelly and Goondalum therein alluded to, cannot be made until a Sale depôt is constructed at Old Town Cuddalore for the storage of the salt received from those pans as already explained. I have in my letters

marginally noted applied for the necessary funds for the construction of this

depôt, and the application is now before Government with the Board's Proceedings, dated 21st May 1867, No. 3,138.

2. On the receipt of the sanction of Government, the construction of the depôt will be commenced and actively proceeded with, but as it is not likely that the work will be completed and be ready for the reception of salt till near the end of the current official year, I request that the Accountant General may be authorized to pass the salaries of the Salt Establishments of Goondalum and Teagavelly according to the old scale till that time.

Submitted to Government, with the Board's recommendation that, under the circumstances stated by the Collector, the Accountant General may be authorized to pass the salaries of the Salt Establishments of Goondalum and Teagavelly according to the old scale, until the end of the current official year. The increase compared with the new scale is only 4 Rupees per month, the present charge being Rupees 233, and that according to the new scale Rupees 229 per month.
