*Proceedings of the Madras Government, Revenue Department,
22nd July 1867.*

No. 435. Read the following Proceedings of the Board of Revenue, dated 3rd July 1867, No. 4,152.

Read the following letter from the Collector of Bellary, to the Secretary to the Board of Revenue, dated Ramandroog, 31st May 1867, No. 91 :—

1. I have the honour to report the death, on the 28th June last, of Paucha Beebee, a Yeomiahdar, who drew a monthly stipend of Rupees 6-7-3 from the Talook Treasury at Adonie.

2. From the correspondence annexed to extract from the Proceedings of the Board of Revenue, dated 4th April 1844, the continuance of this allowance among others was reserved for consideration on the occurrence of a lapse.

3. The two sons, Kuttay Nava Saib and Mea Saib, of the younger brother of the husband of the deceased in the absence, as the Tahsildar reports, of nearer relatives, advance their claim to the stipend. I beg the instructions of the Board on the subject.

1. Submitted to Government for their orders.

2. The Yeomiah was granted in A. D. 1738, and renewed in 1755, and subsequently in 1796. Its object was stated to be "For prayers for the prosperity of the State."

3. * The last male holder died on the 31st October 1841, leaving a widow aged sixty-one years.

4. The pension was continued to the widow as a provision for her maintenance by the Government of India in an Order, No. 119, dated 4th November 1843, and it was stated that the propriety of continuing it and certain other Yeomiahs renewed, and respecting which reference had been made at the same time, would be considered on the occurrence of a lapse.

5. The death of the widow is reported in the foregoing letter. Her nearest relations are the sons of a brother of her husband who was a descendant in the direct line of the original grantee.

6. It is proper to observe that this family was reported, in a letter from the Collector of Bellary to the Board, dated 24th July 1843, No. 86, to hold Inam lands, the assessment of which amounted to Rupees 128, of which land assessed at Rupees 84 was actually under cultivation.

7. The Board do not see any necessity for continuing the Yeomiah, and would suggest its lapsing. They suppose that had the Government intended to weigh the propriety on a lapse of continuing it in perpetuity, they would on the death of the last male holder have conferred it on his lineal heirs, and not have granted it merely to his widow for her maintenance.

No. 436. ORDER THEREON, 22nd July 1867, No. 1,664.

Miscellaneous.

The Government agree with the Board that the allowance should lapse with the death of Pacha Bibi.

Handwritten notes:
The continuation of this allowance is a long question. It is not a question of the right of the widow to the allowance, but a question of the propriety of continuing it. The Board of Revenue have decided that the allowance should be continued to the widow for her maintenance. This is a true copy and extract of the proceedings of the Board of Revenue, dated 3rd July 1867.
