No. 439. Read the following Proceedings of the Board of Revenue, dated 13th July 1867, No. 4,386.

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 15th June 1867, No. 159 :—

I have the honour to forward, for sanction, an estimate for Rupees 11,100 for widening the canal bank road between Samulcottah and Cocanada, together with copy of the Acting Superintending Engineer's letter, dated 10th instant, No. 74. I agree with him in opinion that the work is an important one, and should be executed with as little delay as practicable.

From the Acting Superintending Engineer, 1st Division, to the Collector of the Godavery District, dated Camp at Dowlaishweram, 10th June 1867, No. 74.

1 Estimate.
1 Specification.

1. I have the honour to forward to you, for sanction by the Board of Revenue, an estimate, amounting to Rupees 11,100, for widening the canal bank road between Samulcottah and Cocanada, as per accompanying Specification.

2. I am of opinion that this is an important work, and should be carried out with as little delay as possible ; last year, although the road is dangerously narrow and not half-gravelled, the traffic was over 200 bandies per diem ; when this road is in good order, and the road between Samulcottah and Dowlaishweram also completed, without doubt there will be a very heavy traffic throughout its whole length.

3. Our great advantage of forming this and other roads along the canal banks is, that thereby the injurious independence of the boat-owners will be lessened, and they will be compelled to work their boats with more attention to the convenience of the public.

Enclosure No. 2.—Estimate.

Enclosure No. 3.—Specification.

1. The estimate, amounting to Rupees 11,100, will be submitted for the sanction of Government.

2. The Collector is requested, if funds are available, to provide for the work in the Supplemental Budget, which was returned to him for revision with the Board's Proceedings, dated 28th June 1867, No. 3,991.

No. 440. Order thereon, 22nd July 1867, No. 1,666.
