Proceedings of the Madras Government, Revenue Department, 24th July 1867.

No. 468. Read the following Proceedings of the Board of Revenue, dated 20th July 1867, No. 4,585.

Read the following letter from the Collector of Cuddapah, to the Secretary to the Board of Revenue, dated Madanapally, 13th June 1867, No. 87:—

1. With reference to Board's Miscellaneous Circular as per margin, I have the honour to inform you that agreeably to the instructions contained in paragraphs 2 to 7 of the Government Order, dated 22nd June 1865, No. 1,403, communicated to me in the above Circular, I selected a suitable site for a cholera camp close to Cuddapah, in communication with the Commanding Officer of the station and the Medical Officer in charge of the Jail, &c., at Cuddapah, and a map and report containing the requisite information, which were prepared and furnished to me by the Superintendent of the Revenue Survey at my request, have been sent to the Officer Commanding Cuddapah, to be submitted by him to Government with any remarks he may desire to make thereon, as directed by Government in paragraph 6 of their Order above quoted.

Dated 14th July 1865, No. LXXXII, (Board's No. 4,001.)

2. I take this opportunity to state with reference to paragraph 10 of the Government Order referred to, that in this district there are no lines of march much frequented by Troops, except the one from Madras to Bellary along which the Railway is opened; and that there is no necessity for reserving halting places along the Railway line. There are always suitable sites kept available for the encampment of Troops in the vicinity of the villages along the other lines which are not much frequented by them. The heads of the villages are always held strictly responsible that such sites are maintained in good order, and free from encroachment, &c., and their owners cultivate them on the distinct understanding that they should be kept available as encamping grounds whenever required for that purpose, and that the approaches are not to be obstructed.

3. Similar measures have been taken with regard to the new site now selected for the cholera camp close to Cuddapah, and I have directed the Tahsildar of Cuddapah talook to see that my instructions are strictly carried into effect.

Submitted to Government, with reference to their Order dated 22nd June 1865, No. 1,403.

No. 469. ORDER THEREON, 24th July 1867, No. 1,680.
