

*Proceedings of the Madras Government, Revenue Department,
24th July 1867.*

No. 476. Read the following letter from J. BROUGHTON, Esq., Quinologist to Government, to the Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 19th July 1867:—

1. I am this day informed by communication from Post Audit Department, Accountant General's Office, that the Contingent Bills which I submitted in June for the cost of conveying my chemical apparatus from Madras to Ootacamund, and also the Railway expenses of my own journey to Madras, are "rejected for want of Government Order sanctioning the charge."

2. The total amount rejected is Rupees 541-14-2.

3. Since these expenses are already practically, if not verbally, sanctioned by Proceedings of Madras Government, No. 248, 14th December 1866, and Government Order, No. 855, April 12th, 1867, I would respectfully request that their amount (for which I submitted vouchers) may receive the requisite categorical sanction.

No. 477.

ORDER THEREON, 24th July 1867, No. 1,684.

Miscellaneous.

1. The Government sanction the charge.

2. The Acting Accountant General will be good enough to explain why it was disallowed, the Order of

Government directing Mr. Broughton to proceed to Madras on duty for the purpose of receiving and conveying to Ootacamund his chemical apparatus having been purposely communicated to him in order to obviate any objection.

(True Extract.)

(Signed) W. HUDLESTON,
Secretary to Government.

To J. Broughton, Esq.
,, the Accountant General.
