Proceedings of the Madras Government, Revenue Department,
26th July 1867.

No. 509. Read the following Proceedings of the Madras Government in the Public Works Department :—

Passing orders on the subject of providing latrine accommodation for the employés at Chepauk and Civil Engineering College. } (Here enter 22nd July 1867, No. 2,204.)

No. 510. ORDER THEREON, 26th July 1867, No. 1,699.

Miscellaneous.

Communicated to the Revenue Board.

(True Extract.)

(Signed) W. HUDLESTON,
Secretary to Government.

To the Board of Revenue, with Proceedings Public Works Department, No. 2,204.

Hrd. S. T. Augustin.

No. 536. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 13th July 1867, No. 1,894:—

2 Plans.
1 Sketch.
2 Estimates.

1. With reference to the Orders as per margin,* I have the honour to submit, for the sanction of Government, plans with a site sketch and two estimates, amounting to Rupees 5,910 and Rs. 780 respectively, for affording latrine accommodation for the employés in the Offices at Chepauk and for the Students in the Civil Engineering College.

2. The plan of the latrine for the Office servants has been very carefully designed in communication with the Sanitary Commissioner, and it has been revised so as to introduce all the improvements lately suggested by the experience gained in working the dry-earth system. The plan for the other latrine had to be adapted to the circumstances of the site, the building being required to be erected against the wall of one of the out-houses at the back of the Civil Engineering College.

3. The latrine in connection with the Chepauk Offices had to provide, at the request of the Barrack Master, for an average daily attendance at Office of 300 persons, and had to make provision for the different grades and castes of the employés. It allows, accordingly, accommodation for four European Uncovenanted servants, eight Deputy Collectors and servants of the same standing, twelve European and Eurasian Clerks, and twenty-four Native Clerks.

4. The latrine for the European and East Indian Students at the College provides for eight persons.

* G. O. No. 1,608, dated 21st May 1866.
G. O. No. 1,923, ,, 20th June ,,

No. 537. Order thereon, 22nd July 1867, No. 2,204.

CIVIL WORKS, No. 74.

1. The Governor in Council cannot consent to sanction the erection of any new buildings in the position selected for latrines at Chepauk and indicated in the sketch plan submitted with the foregoing letter, as he is in hopes of being able at no distant date to cause the removal of all the unsightly buildings which now stand between the Revenue Board Office as well as the Civil Engineering College and the beach. Latrines for the use of the employés at Chepauk being, however, necessary, His Excellency in Council will not object to the appropriation for their erection of the site of the building marked No. IX in the Sketch plan.

2. The Superintending Engineer will prepare plans and estimates accordingly.
