Read the following papers:—

No. 519. From the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 9th July 1867, No. 994.

With reference to G. O. No. 1,902, of the 26th ultimo, I have the honor to request that you will inform me if the money recovered from the Rajah of Anagoondy is to be paid over to this department as a recovery from the expenditure incurred. If not paid over, I would beg to observe that there is so much deduction in the Imperial grant.

Referred to the Controller of Public Works Accounts for report.

Secretary to Government.

15th July 1867.

No. 520. From the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 16th July 1867, No. 1,074.

Letter of Superintending Engineer, 3rd Division, to Government.

I have the honor, with reference to your endorsement dated 15th July 1867, on letter No. 994, dated 9th instant, from the Superintending Engineer, 3rd Division, to your address, to report that there is no objection to the money received from the Anagoondy Rajah being shewn as a recovery from the current year's expenditure on the Coragul anicut, as by such an adjustment a like sum becomes available for expenditure, or goes in diminution of the excess outlay over the Imperial grant. But the Superintending Engineer has not stated the amount to be recovered from the Rajah, or from what date these stoppages are to commence.

Referred, with letter from the Superintending Engineer of the 3rd Division of the 9th July 1867, No. 994, to the Revenue Department, with a view to the issue of the necessary orders for the payment to the Public Works Department of the amount to be recovered from the Anagoondy Rajah under the Order of the 20th June 1867, No. 1,336.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

18th July 1867.
