Proceedings of the Madras Government, Revenue Department,
30th July 1867.

No. 572. Read the following letter from the Collector of Coimbatore, to the Secretary to Government, Revenue Department, Fort Saint George, dated Coimbatore, 18th July 1867, No. 62:—

Dated 2nd July 1867, No. 71.
Do. 15th ,, ,, ,, 75.

1. In reply to the Official Memoranda noted in the margin, I have the honor to report that the tobacco therein alluded to is a sample of the produce raised in this district from the Shiraz tobacco seed which was supplied to me with your letter of the 3rd August 1865. Three ryots in the neighbourhood of Coimbatore undertook the experimental cultivation on small pieces of land, and the produce in one case amounted to one-sixteenth of a maund, and in the other two cases to one-eighth of a maund each.

2. The tobacco is considered good, but too weak in flavour to meet the taste of the people generally.

No. 573. ORDER THEREON, 30th July 1867, No. 1,731.

Communicated to the Revenue Board and Agri-Horticultural Society.
