*Proceedings of the Madras Government, Revenue Department,
1st August 1867.*

No. 7. Read the following Proceedings of the Board of Revenue, dated 19th July 1867, No. 4,560.

Read the following letter from the Collector of Salem, the Secretary to the Board of Revenue, dated 22nd May 1867, No. 123:—

1. With reference to the Order of Government, dated 23rd February 1866, No. 495, and the Proceedings of the Board, dated 5th March 1866, No. 1,510, calling upon me to submit particulars of the site and village in which a grant of waste land for the Palcode Chuttrum is to be made, I have the honour to forward a Statement shewing the particulars of the lands applied for by Yemoona Boyi, proprietress of the Chuttrum, which she wishes to be converted into an Inam for the maintenance of the building.

2. The lands are situated in two villages, Mathoor and Makalanaikenhully. The assessment of these lands is Rupees 52-6-0, being Rupees 4-6-0 in excess of the amount (Rupees 48) which was proposed by the late Collector as a grant, and approved of by Government in their Order above quoted. The proprietress is willing to pay this amount (Rupees 4-6-0) as Jody on these lands.

3. There has been some delay in furnishing this information, in consequence of objections raised by certain persons to the giving over of the lands in question to Yemoona Boyi. These objections the Sub-Collector inquired into, and rejected as groundless.

Statement shewing the lands proposed to be given as Inam for the support of the Choultry erected by Yemoona Boyi at Palcode, Darampury Talook.

endowments for Chuttrums now without them, and the utility of which is proved by the local authorities, the Board submitted* to Government a letter from the Collector of Salem, applying for endowments for several Chuttrums, and among others, that at Palcode.

* Board's Proceedings, dated 11th March 1863, No. 1,437.

† Order of Government, dated 1st June 1863, No. 932.

3. Government† sanctioned an endowment of Rupees 48 for the Chuttrum, on the condition that certain necessary additions should first be made to it.

4. In reply to this Order, the Collector reported that the addition required had been made, but the Board‡ observed that the accommodation provided was not sufficient to justify them in recommending the endowment for sanction.

‡ Board's Proceedings, dated 19th May 1864, No. 3,062.

5. In reply, the Collector forwarded a letter from the Sub-Collector, from which it appeared that the proprietress of the Palcode Chuttrum had expressed her inability to make any further additions to the buildings. This was submitted to Government in Board's Proceedings, dated 11th January 1865, No. 142; the Collector being at the same time again informed that no endowment could be given until the additions were made.

6. In answer to their Proceedings another letter was forwarded from the Sub-Collector of Salem, stating that the proprietress of the Chuttrum had undertaken to repair (if handed over to her) a building lying in front of her Choultry, and which would answer the purposes of the additions required. A plan of this building, known as Mr. Orr's Choultry, accompanied the letter.

7. This proposal was recommended by the Board for sanction, and approved by Government in their Proceedings, dated 23rd February 1866, No. 495, according to which the endowment was to take the form of a grant of waste land, bearing an assessment of Rupees 48.

8. The Board were called on to give particulars of the site and the village in which the grant is to be made; a further condition of which was also to be, that the building be kept in repair and be open to all classes.

9. This order was communicated to the Collector, and the foregoing letter and the Statement enclosed in it contain the required particulars.

No. 8. ORDER THEREON, 1st August 1867, No. 1,765.
