Read the following papers:—

No. 43. Proceedings of the Board of Revenue, dated 20th March 1867, No. 1,712.

Read the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 31st December 1866, No. 373.

1. With reference to the Board's Proceedings, dated 24th June 1864, communicating Order of Government, No. 1,074, of the 21st idem, I have the honor to solicit permission to disburse the sum of Rupees 319-3-6, being compensation due for the lands, &c., therein described as having been taken up in Fusly 1270 in the Bungary Poliem on account of the local road from Chittoor to Gudiattum. Of these, a detailed statement in the prescribed form is herewith submitted. This charge can be met from the Budget allotment of 1866-67 for the above road, viz., Rupees 3,000.

2. The Board will find, on referring to paragraph 2 of their Proceedings, dated 10th June 1864, No. 3,553, that they have already decided that this mode of adjusting the charge was permissible.

Enclosure No. 1.—Statement.

Before requesting the sanction of Government to the compensation proposed, the Board desire to know on what principle it has been calculated. It is observed that it is proposed to give Rupees 153-2-0 as compensation for Cawnies 2-14-8, assessed at Rupees 8-15-9. In forwarding his reply, the Collector should submit a revised statement giving the extent in *acres* (see Standing Order, No. 323).

No. 44. Proceedings of the Board of Revenue, dated 5th June 1867, No. 3,438.

Read the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Melpady, 1st May 1867, No. 106.

1. I have the honor, with reference to the Proceedings of the Board, dated 20th March last, No. 1,712, to submit a revised Statement giving the particulars of compensation due to the owners of certain lands, &c., situated in the Bungari Poliem, and taken up in Fusly 1270 for the local road from Chittoor to Gudiattum.

2. The amount of compensation, set down in the original statement returned with the Board's Proceedings now under reply, was settled by arbitration at the rate of Rupees 100 per cawny of Nunjah, and Rupees 50 per cawny of Punjah.

3. The rate for wet land is fair enough, but that for dry is doubtless exorbitant. In the recent settlement of some similar claims on the road from Arconum to Conjeveram Rupees 20 per cawny were willingly enough accepted for dry land. I have accordingly taken that rate in calculating the compensation for dry land in my revised statement.

4. In the former statement interest has been charged for four Fuslies only; but as it is really due for six years, and the rate has been so greatly reduced, I have set down to this item the full amount.

5. The charge can be met from the Budget allotment of 1867-68 for the above road, viz., Rupees 3,000.

Statement shewing particulars of compensation due for the lands, &c., taken up in Fusly 1270 in the Bungari Poliem, on account of the local road from Chittoor to Gudiattum, in the District of North Arcot.

MAILPAUDY,
2nd May 1867.

(Signed) J. D. ROBINSON,
Collector.

Proceedings of the Madras Government, Revenue Department, 3rd August 1867.

The Board do not understand on what authority the compensation for the dry land has been reduced from Rupees 50 to Rupees 20 if the former rate was decided upon by arbitration and accepted by the Collector. Explanation is requested.

No. 45. Proceedings of the Board of Revenue, dated 22nd July 1867, No. 4,619.

Read again letter from the Collector of North Arcot, dated 1st May 1867, No. 106, recorded in Board's Proceedings, dated 5th June 1867, No. 3,438.

Read also the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 15th June 1867, No. 162.

1. In reply to the remarks conveyed in the Board's Proceedings, dated 5th instant, No. 3,438, I have the honor to observe that on reviewing the Returns received from the talook, I found that, in February 1862, it was decided by arbitrators selected by a Revenue Inspector, that the rate of compensation for the Punjah lands in question should be Rupees 20 per cawny. This settlement for some reason or other was not accepted by the late Tahsildar, and at a second meeting of arbitrators, held one year afterwards, the award was raised from Rupees 20 to Rupees 50 per cawny.

2. In my revised statement I adopted, without hesitation, the more moderate award, as well because there was no reason to question its propriety, as because the rate of Rupees 20 per cawny had been freely accepted in some cases of compensation settled by myself.

3. I have further ascertained on inquiry from the Monigar of the Bungari Poliem, that Punjah land in that part of the district freely changes hands at prices varying from Rupees 10 to Rupees 20 per cawny.

4. Under this explanation, I beg the Board will accept the account at the rates on which it has been computed in my statement.

---

1. Resolved that the foregoing correspondence, together with the revised statement received with the Collector's letter, dated 1st May, be submitted to Government, with reference to their Proceedings, dated 1st June 1864, No. 1,074.

2. The Board recommend, for sanction, the compensation as proposed in the statement.
