Proceedings of the Madras Government, Revenue Department,
3rd August 1867.

No. 63. Read the following Official Memorandum from the Acting Accountant General, to the Secretary to Government, Revenue Department, dated Fort Saint George, 30th July 1867, No. 145 :—

1. With reference to Government Order, No. 1,684, dated the 24th instant, the undersigned has the honor to state, that the bill for expenditure incurred by Mr. Broughton in conveying chemical apparatus, &c., from Madras to Ootacamund, was rejected for want of the sanction of Government, because it was considered by this department that the articles could have been carried by train, instead of by the Indian Carrying Company, and also because Mr. Broughton's travelling expenses by road exceeded the ordinary rate of eight Annas a mile, while his train-hire was charged at the higher rate payable for night-trains, instead of, as usual, by the rate charged for day-trains.

2. For these reasons it was considered necessary that the sanction of Government should be obtained for the expenditure actually incurred on the occasion.

(Signed) W. J. RAYNOR,
Acting Accountant General.

No. 64. ORDER THEREON, 3rd August 1867, No. 1,791.
