Proceedings of the Madras Government, Revenue Department,
6th August 1867.

No. 83. From the Officiating Director of Revenue Settlement, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 22nd June 1867, No. 829-18 :—

1. As directed in paragraph 7 of the Order of Government, dated 30th April last, No. 963, I have the honor to furnish, as regards the Settlement Department, the information called for by the Government of India in paragraph 10 of their Secretary's letter, dated 21st March, No. 1,546, and to forward a letter,* with enclosure, from the Superintendent of Revenue Survey, containing similar information for his department.

* 1st June 1867, No. 1,047.

2. It will be seen from the lists subjoined, that the Government of India are under a misapprehension in supposing that most of the districts in this Presidency have been surveyed and settled. With reference to the remark that the charge for Survey has increased by above two lacs since 1864-65, in which year a transfer of the work of Demarcation from the Settlement to the Revenue Survey Department was arranged with a view, apparently, to economy, and that although the expense of the Revenue Survey has increased, that of the Settlement Department has not been reduced, at least proportionately, I beg to state that though the Order transferring the Demarcation to the Survey Department was passed at the end of 1864, it did not practically take effect till 1866, and that whereas in 1865-66 the Settlement expenditure was Rupees 3,59,509, in 1866-67 it was only Rupees 2,36,389, a decrease of Rupees 1,23,120, or more than the amount expended by the Survey Department on Demarcation which, according to Colonel Priestley's statement now forwarded, is Rupees 1,21,674. It is to be observed that the increase in the Survey expenditure is not entirely attributable to the transfer to that department of the Demarcation, but also to the extension of the Survey operations proper. In the Settlement Budget for the current year, the sum of Rupees 86,500 was provided for the Settlement Establishments employed under the Collectors of Nellore and Tinnevelly not under the control of this department.

3. The following statement shews the districts which have been settled :—

4. The next statement shews the districts partially completed, with probable date of completion.

REVENUE DEPARTMENT,
FORT SAINT GEORGE,
6th August 1867.

No. 1,800.

No. 84.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

Land Revenue

From the Officiating Director of Revenue Settlement, dated 22nd June 1867, No. 829.
Statement of the Settlement Establishments.
Do. of the Survey do.

1. With reference to paragraphs 8 to 10 of your letter dated 21st March 1867, No. 1,546, I am directed to forward herewith copies of the papers noted in the margin, containing the information required by the Government of India in regard to the Survey and Settlement Establishments of this Presidency.

2. As pointed out by Mr. Master, the Government of India were under a misapprehension in supposing that most of the districts in this Presidency have already been surveyed and settled. It will be seen from the tables given in that Officer's letter that much yet remains to be done, and he points out that after the work of Demarcation was actually transferred from the Settlement to the Survey Department, the cost of the former decreased.

3. The Supreme Government were also incorrect in remarking that no Proceedings of this Government having reference to the large increase in the Budget of the Revenue Survey Department had been reported to them for confirmation or sanction. The increase in the Budget alluded to over that *sanctioned* for 1866-67 (inclusive of the supplemental* grant of Rupees 20,000) was Rupees 1,44,500. This consisted of the cost of new parties and other *duly sanctioned* increases of charge, reported to the Government of India in those cases in which such a course was necessary either in the monthly statements or by separate letter, as explained in the Proceedings of this Government dated 11th December 1866, No. 3,345, (copy herewith forwarded,) reviewing the Budget. The new Survey and Demarcation parties in the Ganjam and Madras Districts, the cost of which constitute the greater portion of the increase, and which were specially alluded to by the Government of India, formed the subject of the correspondence noted in the margin, which was under the consideration of the Government of India at the time the letter under reply was written. With this explanation I am to request that the sanction applied for in Mr. Secretary Sim's letter, dated 3rd January 1867, No. 4, and deferred pending the submission of the papers now forwarded, may be granted.

* From Government of India, dated 16th October 1866, No. 2,757.

To do. do. 3rd January 1867, No. 4.

4. The application made in my letter dated 8th February 1867, No. 329, on account of the Coimbatore Demarcation party, also requires the sanction of the Government of India.

I have the honor to be,
