No. 117. Read the following Proceedings of the Board of Revenue, dated 18th July 1867, No. 4,545.

Read the following letter from the Collector of Kurnool, to the Secretary to the Board of Revenue, dated 16th May 1867, No. 126 :—

1. In reply to the Proceedings of the Board of Revenue, No. 274, dated 15th January, I have the honor to forward a statement of the public bungalows, with reference to paragraph 66. The statement certainly only shews information received this year, but as I can find no notes or information regarding the state of the bungalows last year, I trust the Board will deem this statement a sufficient reply to their call.

I am now about to proceed on a tour of inspection of most of the Sub-Jails in the district, and as I shall, in my trip, see all the public bungalows, I shall be happy, if the Board deem it necessary, to forward another statement within a few weeks from this time.

2. I also forward a statement of the number of persons relieved in each month of last year, and at what cost, as requested in paragraph 5.

3. The reason why so small an amount of the Pound Fund was transferred, was because Mr. Sullivan recommended, on 19th September 1866, No. 191, small salaries to be given to Pound-keepers, and it was considered unadvisable, till that question was settled, to appropriate any portion of the fund for other purposes. Since, however, that report was made, Rupees 4,000 were transferred on the 25th September and 28th October 1866 to the Road Fund.

4. With reference to paragraph 87, shewing that Rupees 1-6-0 was entered as balance, instead of Rupees 12-3-6 according to previous year's accounts, making a difference of Rupees 10-13-6, I find the balance entered had reference to that of 1864 and 1865, and did not include the balances of former years, which amounted to 10-13-6, and should have been added, making the total balance as entered by Board Rupees 12-3-6. The following statement will shew each year's balance :—

	Rs.	A.	P.
In 1858-59, Balance...	0	14	0
,, 1859-60 ,, ...	1	2	6
,, 1860-61 ,, ...	1	12	0
,, 1861-62 ,, ...	3	0	0
,, 1862-63 ,, ...	2	1	0
,, 1863-64 ,, ...	0	0	0
	10	13	6
,, 1864-65 ,, ...	1	6	0
Total...	12	3	6

The sum of Rupees 10-13-6 was disbursed to the poor, through the Sub-Magistrate of Kurnool, by order of the Treasury Deputy Collector, on the 16th April 1863.

5. In reply to paragraph 100 regarding the Village Service Fund, I beg to inform the Board that the income derived under this head is Rupees 2,03,138-1-6, and that the demands against it amount to Rupees 1,60,869-15-3. In addition to which I have had lately to appoint more Munsiffs, under paragraph 15 of Government Order, No. 1,346, dated 1st June 1866, at a cost of Rupees 7,890 a year. It will be necessary to defer considering this matter, until the subject of the Police Taliaries, who will have to be paid out of this Fund, has been definitely settled. Captain Tennent, Deputy Inspector General of Police, is now in communication with me on the subject, and a scheme is in progress as called for by Government Order, No. 1,609, dated 12th October 1866, Judicial Department.

The whole balance of Rupees 2,72,400-7-3 is made up of Rupees 77,483,12-6 levied on sequestered Police Inams, in consequence of the dismissal of their owners, and of 1,94,916-10-9, the proceeds of enfranchised Inams. The funds of the Village cess were not credited till after the expiration of the year.

Statement shewing the extent of relief afforded, and the charges incurred at the Lungarkanah at Kurnool for the official year 1866-67.
