Proceedings of the Madras Government, Public Works Department,
2nd August 1867.

No. 67. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Camp at Poolliamputty, 17th July 1867, No. 67 :—

1. I have the honor to submit for sanction and provision of funds from the Reserve under "Civil Buildings" the accompanying estimate of Rupees 1,275, for permanently enclosing the compound of the Collector's Cutcherry at Calicut. The existing bamboo fence is unsightly, inefficient, and constantly in need of repair.

] Estimate, No. 13, Rupees 1,275.

2. The proposed work will in fact be the extension and completion of what was carried out on the south side only, under a sanction of Rupees 367, in G. O. No. 3,814, of 20th December 1865, which has not only fully answered its object of preventing a thoroughfare being established through the Cutcherry compound, but has much improved the appearance of one of the most public places in Calicut.

Referred to the Revenue Department.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
