Proceedings of the Madras Government, Revenue Department, 8th August 1867.

No. 173. Read the following Proceedings of the Board of Revenue, dated 25th July 1867, No. 4,784 :—

Read the following Proceedings of the Madras Government, dated 28th June 1867, No. 1,442, Revenue Department.

ABSTRACT.—Stating that the Government concur in the opinion expressed by the Board regarding the retention of the present distribution of charges of the Collector and Sub-Collector of the Godavery District, and calling for their opinion as to the advisability of transferring the Head Assistant to Ellore, and the Deputy Collector to Rajahmundry, &c.

In reference to paragraph 3, Government Order, dated 28th June 1867, No. 1,442, Revenue Department, the Board are of opinion that the interchange of the Head Assistant and the Deputy Collector in the Godavery District would be an advantageous arrangement. The charges of these Officers afford about the same revenue, and it is desirable that a Covenanted Officer, with full powers, should be stationed at the extremity of the district at a place which, owing to its lying on Trunk Road No. VI, is of importance, and over which the Magistrate can exercise little personal control, in consequence of its distance from his head-quarters. Ellore has been a Military station, and the Board presume, therefore, there will be no difficulty in finding accommodation there for a Head Assistant's establishment.
