No. 273. Proceedings of the Board of Revenue, dated 8th December 1866, No. 8,737.

Read the following Proceedings of the Madras Government, dated 17th November 1866, No. 3,139, Revenue Department

ABSTRACT.—Calling for further information regarding the Peishkush, &c., collected on certain estates in the Godavery District.

1. Communicated to the Collector of the Godavery District, with the request that he will furnish the information desired by Government.

2. As regards the first four and the last items, for all of which the authority of Government Order, dated 23rd February 1864, is quoted, the Board have been unable to trace any authority for the reduction. The Collector will separate the items, and furnish clear explanation for each of them.

3. As regards Ambarapeta and Tangellamudi, in which the reduction is the effect of the sanctioned remission on account of Moturpha resumed, the Collector will quote the specific order of Government applicable to each case.

4. As regards the seventh item, the Board do not understand how the arrangement, sanctioned in the correspondence quoted, would have led to any reduction of Peishkush, as it merely provided that the collection of the quit-rent, payable on enfranchised Inams in Zemindaries, should be left to the Zemindars, with an allowance of ten per cent. of the amount for the trouble of collection, the balance being *added* to the Peishkush of the estates concerned. The Collector will explain the matter.

No. 274. Proceedings of the Board of Revenue, dated 4th July 1867, No. 4,171.

Read the following letter from J. FRASER, Esq., Collector of the Godavery district, to the Secretary to the Board of Revenue, dated Cocanada, 4th May 1867, No. 93:—

1. With reference to the Proceedings of the Board of Revenue of the 8th December 1866, No. 8,737, communicating the Order of Government, dated 17th November, No. 3,139, and to paragraph 8 of the Board's Proceedings of the 11th March last, No. 1,491, I have the honour to submit the information called for in regard to certain reductions made in the peishcush of certain Zemindary and Proprietary estates in this district.

2. The items objected to by Government are those noted in the margin. As regards the first four and the last items, I beg to state that, as observed by Government and the Board, there is not any specific order of Government sanctioning the reduction of these sums, but they as well as some other items were deducted from the peishcush of the estates concerned in Fusly 1274, simply in order to give immediate effect to the orders of Government, dated 23rd February 1864, No. 325, Revenue Department, and to put an end to the annual payments of compensation by adopting the said course, which is one of the plans devised in paragraph 12 of that Order, and the fact of the deduction was reported to the Board in paragraph 2 of the letter from the Sub-Collector in charge, dated 21st March 1865, No. 44, and also in paragraph 2 of my letter, No. 156, dated 20th July 1865, and these Proceedings were approved of by them in their Proceedings, dated 8th June 1865, No. 3,085, paragraphs 12 and 14, and 4th September 1865, No. 5,447, paragraph 2. A remark regarding this deduction was also made in paragraph 42 of the Jummabundy report for Fusly 1274, and even the Government have not taken any objection to this when they passed their Order, dated 26th September 1865, No. 2,321, on the Board's Proceedings of the 4th idem quoted above. Under these circumstances no application was made for the sanction of the above sums.

* Rupees 6,993-10-11.

† Rupees 791-14-9.

3. I now beg to submit a revised Statement showing separately the amounts* deducted from the peishcush in redemption of the annual payments of compensation in Fusly 1274, and those† deducted in Fusly 1275, under the sanction of Government, dated 26th September 1865, No. 2,321, as well as the amount‡ to be deducted in Fusly 1276, (current). The last mentioned item of

Rupees 328-3-3 is composed of the sum of Rupees 90, sanctioned by Government in their Order, dated 21st June 1866, No. 1,518, communicated with the Board's Proceedings of the 5th July following, No. 4,571, and Rupees 233-3-3, for which sanction was solicited in my letter to the Board, under date the 23rd November 1866, No. 274, recorded in their Proceedings of the 11th ultimo. I requested that the Board will be pleased to obtain sanction of Government for Rupees 6,993-10-11 deducted in Fasly 1274, and for Rupees 233-3-3 to be deducted in the present Fasly, and communicate the same to me as early as practicable, in order that the latter sum of Rupees 233-3-3 may be reduced from the peishcush of the present Fasly.

4. As regards the Ambarmotta and Tangellamudi estates, the specific orders of the Government, sanctioning the Moturpha remission which have been deducted from the peishcush, have not been furnished to this office since the transfer of these estates to this district. I have, therefore, requested the Collector of the Kistna District to furnish me with their copies, and on receipt of which, I shall submit the information required in paragraph 3 of the Board's Proceedings, No. 8,737, of the 5th December last under reply.

5. In regard to the 7th Item of Rupees 2-4-0, alluded to in paragraph 2 of this letter, I have desired the Collector of Vizagapatam to let me have the explanation called for in paragraph 4 of the Proceedings referred to in the foregoing paragraph. As soon as I hear from him, I shall lose no time in submitting his reply to the Board.

6. In reference to paragraph 9 of the Board's Proceedings of the 11th March under reply, I beg to annex a memorandum showing the amount remaining undisbursed, up to the end of past official years out of the different sums hitherto sanctioned, and the probable amount that will be required for payment in the current official year on account of compensation for lands taken up under Public Works.

3. The Board observe that these words are merely enunciations of principle, and not instructions on which the Collector was authorized to act without reference.

4. With regard to Cases 5, 6, and 7, the Collector points out, in the appropriate column of the Statement appended to his letter, the authority under which the deductions were permitted.

5. With reference to paragraph 3 of the Collector's letter, the Board resolve to recommend that the remissions of 6,993-10-11, already in operation, may be sanctioned, as well as remissions amounting to Rupees 233-3-3 on the properties noted in the margin, from the current Fusly.

6. The Collector states that he has addressed the Collectors of the Kistna district and of Vizagapatam, respecting the remissions in the Ambarapeta and Tangellamudy estates, and is awaiting their replies to his reference for submission.

7. Adverting to paragraph 8 of the Board's Proceedings, dated 11th March 1867, No. 1,491, the Collector reports, in paragraphs 6 and 7 of his letter, that the sum required for payment of compensation in the current official year is Rupees 31,737-13-7. Land Revenue.

ORDER THEREON, 17th July 1867, No. 1,586.

1. The Government sanction the remissions of Peishkush on account of land taken up for public works in the Godavery District, according to the detailed statement included in the above papers, viz.:—

		Rs.	A.	P.
From Fusly 1274	... ...	6,993	10	11
,, 1275	... ...	791	14	9
,, 1276	... ...	323	3	3
Total	...	8,108	12	11

2. Orders will be passed in the Department Public Works on the Collector's application for Rupees 31,737-13-7 still required for payment for land purchased up to the end of Fusly 1276.

3. It appears to Government that the system of refunding to the Department Public Works the amount remaining undisbursed at the end of each official year, and then applying for a fresh grant, introduces a very unnecessary complication into the transaction, which might be avoided by charging the amount against the Public Works Budget provision as a disbursement once for all when sanctioned, and crediting it to Deposits in the Collector's accounts, the adjustment being made with reference to the actual disbursements to the parties who sold the land.

4. At the same time the Government consider that very unnecessary delay is allowed to take place in the actual payments, and that the absence of any explanation on the part of the Collector is unsatisfactory.
