Proceedings of the Madras Government, Revenue Department, 15th August 1867.

No. 303. Read the following letter from the Officiating Inam Commissioner, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 8th August 1867, No. 34 :—

1. The Inam* noted in the margin in the Krishna District was resumed by the Collector in 1855 for arrears of Jodi. The Inamdar was then absent at Benares, and therefore did not protest against the resumption of the Inam. He now claims the Inam on the ground that its resumption was improper, inasmuch as the Jodi was an unauthorized charge made by the late proprietor after the permanent settlement. The Jodi, though imposed by the proprietor, does not seem to have ever been paid. Had the Inam not been resumed by the Collector, the Jodi would have been remitted by this department, and the Inam confirmed, tax-free under Rule 3, recorded in the Proceedings of Government, dated 5th November 1860, No. 2,045.

* Case No. 35 of Addepalli, Repalli talook.

2. There were several Inams of this description subject to an improper Jodi, but they were not resumed for arrears of Jodi, because their holders protested against the resumption, and complained of the unauthorized character of the charge. The resumption, however, was carried out in the case under notice, because the Inamdar was not present to protest against it.

3. Under the above circumstances, Mr. Taylor confirmed the Inam, but the land has not been yet restored to the Inamdar.

4. An extract from the Register of the case, containing Mr. Taylor's decision, is herewith submitted, and I beg to solicit the orders of Government for the restoration of the Inam, with past proceeds, collected from the date of its resumption.

5. I would, however, state that in two or three other cases of this description I refused, under the spirit of the Government Order, dated 12th March 1861, No. 576, to re-open the question of past resumption, but I shall modify these decisions, should Government approve of Mr. Taylor's proceedings in the present case.

No. 304. ORDER THEREON, 15th August 1867, No. 1,900.

Land Revenue.

1. The Government sanction the restoration of the Inam in question, and approve the Commissioner's intention to revise his decision in the few similar cases, as stated in paragraph 5.

2. He will report the amount of past proceeds to be refunded under the above Order.
