No. 410. Read the following letter from the Acting Collector of the Kistna District, to the Secretary to Government, Revenue Department, Fort Saint George, dated Masulipatam, 12th August 1867, No. 27:—

Lieutenant A. C. Smith, R. E., Officer in charge of the 2nd or Bapatla Range of this District, has applied to me (letters Nos. 253 and 102, dated 8th and 29th July 1867,) to take action under Act VI of 1857 for the acquisition of a piece of land, Survey No. 434, extending to As. 1-71, and at present assessed at Rupees 2-9, for the formation of a public nursery in the village of Chabrole.* He informs me that no waste land is available, and that none better fitted for the garden contemplated is to be found. The holders will not relinquish it, nor come to terms. I have the honor to request, therefore, that the same may be declared under Section II of the Act to be required for a public purpose; and that the Government will be pleased to confer upon the Acting Sub-Collector, within whose jurisdiction Chabrole lies, the power of enquiry and award of compensation under Section V.

* In Bapatla Talook.

No. 411. ORDER THEREON, 21st August 1867, No. 1,951.

Miscellaneous.

The Acting Collector will explain more fully the necessity for forming the garden in question in the locality specified, sending his reply through the Board of Revenue, through whom this application should have been submitted.
