With reference to the enclosed copy of a letter from the Acting Deputy Accountant General, I have the honor to request that sanction be obtained for the continuance of the establishment* at Colasagarapatam until the salt is sold. Unless sold by auction, the salt in store will take three years to dispose of.

From the Assistant Deputy Accountant General, Madras, to the Collector of Tinnevelly, dated 3rd July 1867, No. 1,831.

1. *Vide* Board's *Proceedings, No. 9,005, dated 19th December 1866.*

2. The undersigned has the honor to inquire whether the store of salt at the Colasagarapatam Station has been disposed of. If not, how much longer it will be necessary to retain the establishment sanctioned by the Board of Revenue in their Proceedings above referred to. It is observed that the station in question was to be abolished under the revised arrangement made by Mr. Pelly and sanctioned by Government under date the 20th July 1866. The further continuance of the establishment in question should be sanctioned by Government.

1. Submitted to Government, with the Board's recommendation that sanction may be granted for the continuance of the establishment at the Colasagarapatam Salt Station.

2. The Collector will be called upon to report on the expediency of disposing of the salt more quickly by offering a special discount or, as he suggests, putting it up to auction.

No. 413. Order thereon, 21st August 1867, No. 1,952.

Separate Revenue, No. 27.
Salt.

Pending further orders on the subject, the Government sanction the retention of the establishment at Colasagarapatam, but they desire that the Collector will consider whether it may not be somewhat reduced without interfering with sales, and they trust to receive at an early date proposals for accelerating the sale of the stock on hand at this condemned station.
