*Proceedings of the Madras Government, Revenue Department, 26th August 1867.*

No. 492. Read the following Proceedings of the Board of Revenue, dated 20th August 1867.

Read the following letter from the Acting Collector of South Canara, to the Secretary to the Board of Revenue, dated Mangalore, 9th August 1867, No. 144:—

1. I have the honor to bring to the notice of the Board that I have at present a stock* of Laccadive Coir for disposal out of the importations of the past season,

* Tons 170.

and request that the Board will be pleased to ascertain the wants of the Dockyard at Calcutta in this respect, in order that if any supply is not there required, I may take early measures for its disposal by public auction in time to clear the godowns for the reception of new stock during the following fair season.

2. I must here add that with reference to Board's Proceedings, dated 11th ultimo, No. 4,329, I shall shortly submit a report on the observations by a Calcutta Committee on the quality of coir received from Mangalore. The coir now in store cannot be expected to be in any way better than that supplied for the last few years. In the event, however, of the authorities having any objection to draw their supply from my present stock, I have reason to believe that it will not fail to find a ready sale at public auction on the spot.

---

1. Ordered that the foregoing letter be submitted to Government, with the request that the wants of Calcutta may be ascertained.

2. The Acting Collector, it will be seen, promises to submit shortly the report called for in the Government Order, dated 8th July 1867, No. 1,515, Revenue Department.

No. 493. ORDER THEREON, 26th August 1867, No. 1,992.

Miscellaneous. Application will accordingly be made to the Government of Bengal.
