*Proceedings of the Madras Government, Revenue Department,
5th September 1867.*

No. 56. Read the following letter from the Inspector General of Madras Police, to the Acting Chief Secretary to Government, Fort Saint George, dated Kotagiri, 17th August 1867, No. 1,442:—

1. I have the honor, with reference to G. O. No. 944, dated 2nd August 1867, to request that, if the Government see fit, I may be supplied with copies of former correspondence on the subject of keeping in repair the Trigonometrical Survey Stations.

2. I would venture an opinion that the repairs, &c., of such stations had better be entrusted in this Presidency to the Heads of the villages and Revenue authorities. The Police have not the same means of carrying them out.

Transferred to the Revenue Department, with a view to the necessary instructions being issued for placing the survey pillars and mark stones under the care of Heads of villages.

(Signed) R. S. ELLIS,
Acting Chief Secretary.

FORT ST. GEORGE,
29th August 1867.

No. 57. ORDER THEREON, 5th September 1867, No. 2,071.

Miscellaneous.

Ordered that copy of G. O., Revenue Department, No. 1,828, dated 8th August 1867, be communicated to the Inspector General of Madras Police, who will observe that the duty in question will not devolve on the Police.

(True Extract.)

(Signed) W. HUDLESTON,
Secretary to Government.

To the Inspector General, Madras Police, with G. O. No. 1,828.

memo for orders
with reference to the last
page in Mr. Robinson's
letter the Plea might
be required to appear in
the Heads of Villages
upons morning. The
Heads of Villages directed
through the collector to
make the morning upons
which will be charged to
the Treas. Survey. Mr.

It appears that the
Police have been
very diligent in this
question. I would
direct the Surveyors
to report to the Collector
all the Stations and
the Collectors should
be directed to make
enquiries as to the
state of the buildings,
mark stones
trees and
Potters and where

making the order refers
to the order under the
order made of
Villages and should
be put in
permanent
charge of the
Station.
