G.O. 212,

*Proceedings of the Madras Government, Revenue Department,*
*10th September* 1867.

No. 173. Read the following Proceedings of the Board of Revenue, dated 3rd September 1867, No. 5,700.

Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to the Board of Revenue, dated 23rd July 1867, No. 79 :—

With reference to Government Order, No. 1,575, of 16th July 1867, Revenue Department, I have the honor to inform you that the sum of Rupees 18,930, entered in my Canara Budget List for 1867-68, is a part of the total sum of Rupees 28,930, sanctioned in Government Order No. 55,* of 6th January 1866, Public Works Department, for the works noted in the list forwarded by the Collector and recorded in the Proceedings of Government under reply. Of the Items Nos. 149 to 169 of the list of "Petty construction and repair" making a total of Rupees 17,210, all but Nos. 164 and 165 form sanctions of the above Government Order, and aggregate Rupees 15,790, which and the two omitted items Rupees 10,900 and Rupees 2,240, make up the total of the estimates sanctioned, namely, Rupees 28,930. It is clear, therefore, that the allotment of Rupees 20,000 is superfluous, unless a part of it be required to provide for construction of the four Salt Koties at Mangalore, and for reclamation of the river bed.

* *Vide* G. O. No. 6,096, of 22nd December 1865, Revenue Department.

Submitted to Government, with reference to their Proceedings in the Revenue Department, dated 16th July 1867, No. 1,575. The necessary alterations will be made in the revised list of Salt works now under preparation.
