*Proceedings of the Madras Government, Revenue Department,
12th September 1867.*

No. 215. Read the following letter from the Acting Collector of Trichinopoly, to the Secretary to Government, Revenue Department, Fort St. George, dated Trichinopoly, 20th August 1867, No. 46:—

1. At the request of my Acting Head Assistant, Mr. Martin, I have the honor to address the Government with reference to house accommodation for him at Museri.

2. There is none except that alluded to in the following passage of my letter of the 6th May. "At Museri there is another bungalow which I lately purchased from Mr. Banbury, but which I shall not object to dispose of should the Government wish to have it."

3. Upon this subject the Government made no remarks in their Order dated 12th July 1867, No. 1,556.

4. I have not seen the bungalow for many years, but I have no doubt that Mr. Martin, who has lately seen it, is correct in thinking that certain repairs and improvements will be necessary to render it suitable for the permanent residence of a married Head Assistant.

5. It is not, however, convenient to me to make this outlay, while Mr. Martin declares it would be equally inconvenient to him to purchase the bungalow, even on the favorable terms at which I have offered it to him, and then to undertake the requisite improvements himself. He tells me, that he is quite willing to pay rent for suitable accommodation, and that he believes it would not be unprecedented for Government to provide the house and charge rent for it.

6. There is no doubt that it would have been much to the pecuniary interest of future Head Assistants had Mr. Martin found it convenient to accept my offer, so as to have kept the property in his and their hands without liability to pay rent.

7. As it is, although to some extent myself an interested party (inasmuch as I do not feel called upon to offer to the Government as easy terms as to my Head Assistant), I must advise the Government to purchase the bungalow and ground attached, to put it in proper repair, and rent it to the Head Assistant.

8. Government can have it for Rupees 1,000, the repairs and improvements may be calculated at perhaps 1,000 more, and by the imposition of a moderate rent it will be seen that the investment will be by no means a bad one.

9. If Mr. Martin is to take up his residence at Museri on the opening of the Errode line, no time should be lost in executing the improvements and repairs.

No. 216. ORDER THEREON, 12th September 1867, No. 2,150.

Miscellaneous.

1. The Government are not disposed to purchase Mr. Agnew's bungalow at Museri.

2. They presume he will consent to rent it to the Head Assistant.

Sir,

Fort Saint George.

Para 1. At the request of my Acting
Head Assistant Mr Martin, I have the
honor to address the Government
with reference to house accommodation
for him at Mroosery.

2. There is none except that
alluded to in the following passage
of my letter of the 6th May. "At
Mroosery there is another bungalow
which I lately purchased from Mr
Ranbury, but which I shall not ob-
ject to dispose of should the Govern-
ment wish to have it."

3. Upon this subject the Go-
vernment made no remarks in
their order dated 12th July 1867 No 1556.

4. I have not seen the bungalow
for many years, but I have no
doubt

Doubt that Mr Martin, who has lately
seen it, is correct in thinking that
certain repairs and improvements
will be necessary to render it
suitable for the permanent resi-
dence of a married Head Assistant.

5. It is not however conve-
nient to me to make the outlay
while Mr Martin declares it
would be equally inconvenient
to him to purchase the bungalow,
even on the favorable terms at
which I have offered it to him, &
then to undertake the requisite im-
provements himself. He tells me
that he is quite willing to pay rent
for suitable accommodation and
that he believes it would not be
unprecedented for Government to
provide the house and charge rent
for it.

6. There is no doubt that it would have been much to the pecuniary interest of future Head Assistants had Mr. Martin found it convenient to accept my offer, so as to have kept the property in

Liv

and their bonds without liability
to pay rent.

As it is, altho to some extent
myself an interested party (inasmuch
as I do not feel called upon to offer
to the Government as easy terms
as to my Head Apartment). I must
advise the Government to purchase
the bungalow & ground attached, to
put it in proper repair, & rent
it to the Head Apartments.

8. Government can have it for \$25,000 the repairs and improvements may be calculated at perhaps 1000 more, and by the imposition of a moderate rent it will be seen that the investment will be by no means a bad one.

9. If Mr. Martin is to take up his residence at Broomey on the opening of the Trade line, no time should be lost in executing the improvements and repairs.

has been drawing monthly, an allowance for
tent & though now have an appropriate est.
of tent for ^{the purchase of} which, under an indulgent rule passed
two years ago, money has been advanced by
Govt. - What with these tents and such
accommodation as Mr. Agnew's Bungalow may
afford, any H. A. apartment could manage very
comfortably. It seems to me absurd to suppose
that an acting H. A. apartment who has been
living for months past at a quiet station like
^{recourse to} Chittoor, and recently for some months at
Sulampur, on Rs 67 a month, cannot manage
to make terms with Mr. Agnew for the purchase
of a Bungalow w. Mr. A. - will let the Govt. have
for 1000 Rs. and the H. A. C may have at a
lower sum -

I would say that the Govt. are not prepared
to add to the number of public buildings
by buying Mr. Agnew's Bungalow at
present.

The purchase of Mr. & Mrs. Dhall's house at
Bardachellam in S. Arcot was a difficult case -
by becoming its proprietor, & holding it available
as the Sub Collector's residence, the Govt. saved
annually some 2000 Rs. paid to the
Sub Collector as tent allowance

W.D.

Mr. Montin is only an Actg H. A. ^{5/2}
can this be hardly be expected to buy
a house -

Would Mr. Agnew object to let
his Bungalow to Mr. M. and apply
it until as long as may be necessary
toward the repairs of the building
for a while?

With the Bungalow and his
tent - Mr. M. might make a shift.

Otherwise under the same
- terms and if necessary it is
for a month or two H. A. Station, I
see no harm but that for a long
Mr. A's Bungalow for Rs 1000 if the
Govt. say that it is worth that
then - put it into repairs &
charge rent for it J.D.
