*Proceedings of the Madras Government, Revenue Department,
16th September 1867.*

No. 294. Read the following letter from the Acting Accountant General, to the Secretary to Government, Revenue Department, dated Fort St. George, 13th September 1867, No. 194 :—

1. The Government of India having, in their Financial Resolution No. 2,061, dated 13th ultimo, directed that particulars relating to realization of License tax from official salaries should be reported monthly in a form prescribed by them (copy of which is herewith sent), and that the details of the past months of the year should be supplied *at once*, I have the honor to request that you will be good enough to obtain the sanction of Government to my entertaining a temporary establishment, at a monthly cost of Rupees 180 for three months, to bring up the arrear work in question, the amount being drawn in lump in a separate bill and debited to "Assessed Taxes." As the Returns for the past months are at once to be furnished, and as their preparation cannot be undertaken by the present establishment of the Office without detriment to the current work, I have entertained the necessary establishment, and trust that Government will sanction this application. Should the arrears be brought up within the time above specified, the establishment will be discontinued, and Government will be put to no further expense than that actually incurred.

2. As the Monthly Returns should, in future, be rendered in time to reach the Financial Department by the 15th of each succeeding month, I further request that I may be permitted to engage the services of a Clerk for the preparation of these Returns on a salary of Rupees 25 per mensem, so long as the statement in question has to be submitted. This sum will also be drawn in a separate bill, and debited to the same head of service.

No. 295. ORDER THEREON, 16th September 1867, No. 2,183.

Miscellaneous.

The Government sanction the employment of the temporary Establishments necessary for the work in question, and authorize the Accountant General to incur the following charges on this account, viz. :—

Rupees 180 monthly, for three months, to bring up the *arrears* work.

Rupees 25 monthly for a Clerk to prepare the *current* Returns so long as the Statements are required by the Supreme Government.
