No. 336. Read the following letter from the Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, dated Madras, 10th September 1867, No. 5,825:—

1. With reference to the Proceedings of Government, marginally indicated, I am directed by the Board to submit to Government a revised list of works entered in the Revenue Budget for the current year 1867-68, under "Petty Construction and Repair."

Procs. of Govt., dated 15th July 1867, No. 1,268.	
Do. do. do. 16th do. " " 1,675.	
Do. do. do. 30th do. " " 1,738.	

2. In this list, provision has been made for the expenditure, during the current year, of the sum of Rupees 2,00,000 originally estimated. The list of works entered for South Canara and Malabar has been carefully revised, with reference to the contemplated introduction of the excise system on the Western Coast. The apparent double provision made by Government for Salt Koties in South Canara has also been corrected, and provision has been made for fresh works of an emergent character in the Districts of Ganjam and Madras from the savings thus effected.
