Proceedings of the Madras Government, Revenue Department, 23rd January 1867.

No. 470. Read the following Proceedings of the Board of Revenue, dated 12th January 1867, No. 213.

Read the following letter from the Acting Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 4th January 1867, No. 3 :—

1. I have the honor to request that sanction may be given for the allotment of a sum of Rupees 1,285 from the Road Cess, for expenditure by the Public Works Department, within the current official year, on the Caroor and Errode road, in addition to the sum of Rupees 740 already allotted from the District Road Fund.

2. The Railway being now open from Trichinopoly to Caroor, this line becomes the high road from Trichinopoly and Tanjore to Madras, and a horse transit and mail cart have already begun to run on it.

3. The fact that the iron girders intended for the Noyel bridge have been lost at sea on their way to this country, renders it likely that the line will not be open so soon as anticipated, and that this section of road will for some time continue to supply the break in the Railway communication.

4. I have addressed the Superintending Engineer on the subject, and learn from him that there is no prospect of the funds necessary being transferable from other sources.

Submitted for the sanction of Government, on the understanding that the amount of funds required will be actually realized from the Road Cess, within the official year.

No. 471. ORDER THEREON, 23rd January 1867, No. 223.
