Proceedings of the Madras Government, Revenue Department,
12th November 1867.

No. 200. Read the following letter from W. J. RAYNOR, Esq., late Acting Accountant General, to the Secretary to Government, Revenue Department, dated Fort St. George, 22nd October 1867, No. 237:—

1. I have the honor, with reference to Proceedings of Government, dated 25th ultimo, No. 2,246, Revenue Department, to state that the Order of Government in Captain Beatty's case was forwarded to the Government of India, because it was considered that the construction by this Government in regard to the License Tax Act was susceptible of confirmation, or otherwise, by the Government of India, in the same way as their decisions in Financial questions are. Should I have misapprehended the power of the Madras Government in this instance, I beg to express my regret for the same.

2. With regard to the case having been referred by me, I would respectfully observe that the reference did not originate with me, but was made in the course of an appeal against a decision of this Office, and in these circumstances it was not open to me to do otherwise than lay the case before Government with my own views on the subjects.

No. 201. ORDER THEREON, 12th November 1867, No. 2,671.

Miscellaneous.

The Government accept Mr. Raynor's explanation of his error.

(True Extract.)
