No. 212. Read the following Telegram from Secretary Government of Bengal, Calcutta, to Secretary to Government, Madras, dated 16th February 1867 :—

Urgent.—Looking to the increased quantity of grain that will have to be imported into Pooree, and the probability of the importation extending later into the year, and the smallness and inadequacy of the size of existing musoolah boats to work in heavy weather, it is proposed that twelve of these boats should be brought in pieces from Madras with the materials for putting them together at Pooree, and if the crews should be unable to do this work, a few artizans for that purpose should be sent with them. The crew should be engaged at fixed wages, and could be sent back with the boats when the importation operations are over. The Lieutenant-Governor approves of these proposals, and requests that the Government of Madras may be moved to comply with them.

No. 213. ORDER THEREON, 16th February 1867, No. 392.

Communicated to the Superintendent of Marine, with the request that he will forthwith proceed to arrange for meeting this requisition as speedily as possible.
