*Proceedings of the Madras Government, Revenue Department,
28th March 1867.*

No. 473. Read the following Proceedings of the Board of Revenue, dated 23rd March 1867.

Read the following letter from the Collector of Tanjore, to the Secretary to the Board of Revenue, dated Pattucottah, Pattucottah Talook, 18th March 1867, No. 60:—

1. There has been no rain-fall during the first fortnight of the current month, and it is much required in a part of the dry talooks, where water even for drinking purposes is said to have become scarce.

2. The harvest of the Sambapeshanum crop has been almost completed, and the out-turn in the delta is above the average.

3. Prices are stationary, and paddy sells in the different parts of the district from Rupees 1-6-0 to Rupees 1-10-0 per Kallam. Prices are kept up in consequence of the large export which still continues to Poodocottah, Madura, and the south.

4. The state of health both of men and cattle is much the same as at the close of the last fortnight. Pasture is at present sufficient.

Submitted for the information of Government.
