*Proceedings of the Madras Government, Revenue Department,
29th March 1867.*

No. 487. Read the following Proceedings of the Board of Revenue, dated 23rd March 1867, No. 1,812 :—

Read again Proceedings of the Madras Government, dated 26th March 1866, No. 746.

1. In the concluding paragraph of the foregoing Order, the Board were called upon to state what addition they considered ought to be made to the Budget Estimate of the Forest Department for 1866-67, on account of the re-imposition of seigniorage on bamboos. The Board have consulted the several Collectors on the subject, and from the replies they have received to their requisitions, consider the additions may be fairly assessed at Rupees 10,000.

2. The estimate of the Collectors noted in the margin, whose districts are the only ones in which a revenue is derived from this source, exceeds, as will be seen, the estimate made by the Board, and that framed by the Conservator of Forests somewhat falls short of it, being 7,000 Rupees.

Cuddapah	Rs. 150
Kurnool... ..	2,000
North Arcot... ..	2,000
South Arcot	500
Madura	500
Tinnevely	25
Coimbatore	500
Salem	5,000
South Canara... ..	3,000
Total ...	13,675

3. The Board, however, think that the estimate in the one case is too high a one, and in the other unduly low.
