Proceedings of the Madras Government, Revenue Department, 5th April 1867.

No. 93. Read the following Proceedings of the Board of Revenue, dated 29th March 1867.

Read the following:—

Season Report for the first fortnight of March 1867.

1. No rain during the first fortnight of March. Partial failure of dry crop in Bellary talook, as before stated. Crops in other parts of the district generally in good condition. Dry cultivation is over. The white cholum and other later crops are being reaped.

2. Fever is somewhat decreased. No other disease exists. The foot and mouth disease among cattle prevails to a small extent in Madaksera talook.

3. The famine works will soon be generally closed, except in one or two localities, where it may be desirable to keep them open for a short time longer. A good many of the relief houses have been closed.
