*Proceedings of the Madras Government, Revenue Department,
14th January 1867.*

No. 217. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 5th January 1867, No. 3,908:—

1. I have the honor to transmit, for the sanction of Government, a plan and an estimate, amounting to Rupees 1,100, for certain improvements to the Talook Cutcherry at Wandiwash, in the North Arcot District, consisting of raising partition walls, making lock-ups and a Tahsildar's room, erecting a shed for the Curnums, and re-arranging a few doors and windows.

1 Plan.

1 Estimate (Abstract).

2. The project was taken in hand at the request of the Collector of North Arcot, who has approved of the general arrangement exhibited in the plan.

3. From recent inspection I am in a position to concur with the Revenue Department in considering the proposed alterations very desirable, and permission is solicited to make an application for the necessary funds after the 1st April 1867.

Referred to the Revenue Department.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

8th January 1867.

No. 218.

ORDER THEREON, 14th January 1867, No. 110."

Miscellaneous.

The Collector is requested to explain to what purposes the additional space is to be applied, and the average number of persons, male and female, daily confined in the lock-ups of the Cutcherry.

(True Extract.)

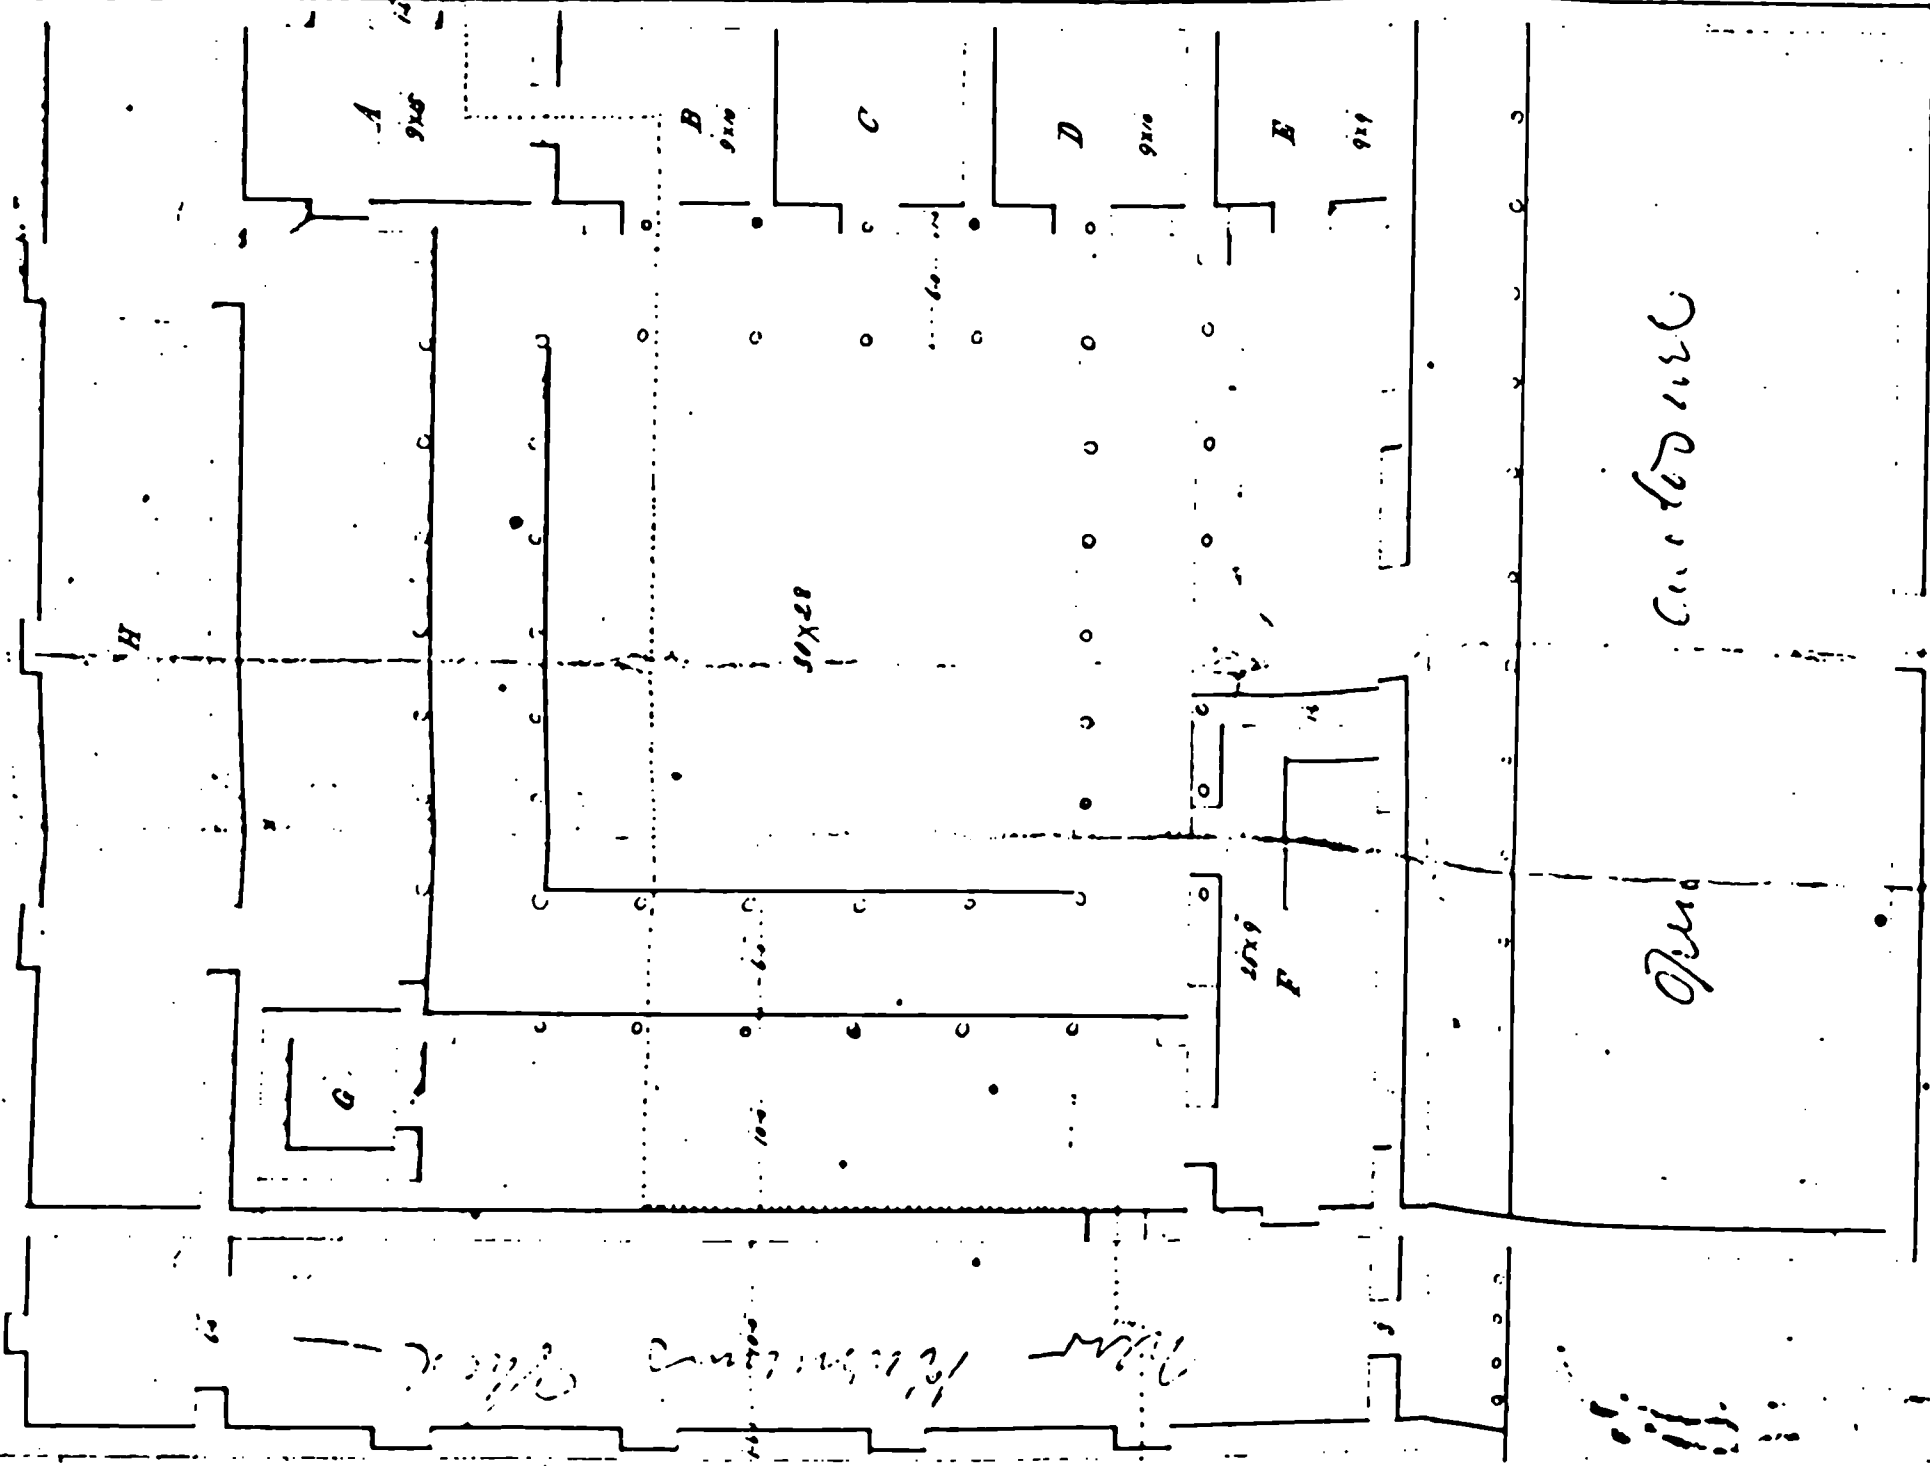

(Signed) J. D. SIM,
Secretary to Government.
