Proceedings of the Madras Government, Revenue Department,
15th January 1867.

No. 290. Read the following Proceedings of the Board of Revenue, dated 23rd May 1866.

Read the following letter from the Collector of Madras, to the Secretary to the Board of Revenue, dated Saidapett, 19th May 1866, No. 142 :—

1. I have the honor to forward an estimate and a plan for a poudrette store and a pot-well, which are both absolutely necessary for the latrine now under construction at Homes' Garden.

2. I regret that the estimates for these two things were not furnished before, but it was only lately that the necessity for them became apparent ; and as the latrine itself is nearly completed, I trust the Board will obtain early sanction.

Submitted for the sanction of Government.

No. 291. ORDER THEREON, 15th January 1867, No. 140.

Miscellaneous.

The construction of a pot-well at an expense not exceeding 40 Rupees is approved. A common thatched shed, which need not cost more than a few Rupees, will suffice for storing the earth, until it is seen how far the experiment succeeds.
