*Proceedings of the Madras Government, Revenue Department,
8th January 1867.*

No. 94. Read the following Proceedings of the Board of Revenue, dated 26th December 1866.

Read the following letter from the Acting Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Coimbatore, 20th December 1866, No. 314 :—

1. Adverting to Board's Proceedings No. 7,813, of the 29th October last, I have the honor to state that the loss of agricultural stock, caused by the late excessive drought and want of pasture has, though serious, been so far replaced as not to tell upon cultivation. This I infer from the reports of the local officers, and from the known unusually large area now cultivated.

2. I do not consider any advances to the ryots necessary.

3. Subjoined is an estimate of the losses as compared with the number shown by the last Returns :—

	Total number of Cattle according to last Returns.	Number of Cattle died in 1866.
Dharapooram	59,219	3,463
Oodoomalpotta	28,975	2,000
Caroor	65,958	1,900
Sattiamungalum	1,04,180	2,000
Collegal	35,420	8,855
Perindorai	57,501	7,187
