Proceedings of the Madras Government, Revenue Department,
8th January 1867.

No. 102. Read the following letter from the Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 5th December 1866, No. 8,662 :—

1. With reference to Government Order dated 8th November 1866, No. 3,035, Revenue Department, I am directed by the Board of Revenue to return a corrected copy of the Rules for the sale of waste land, for transmission to the Supreme Government, and to suggest to Government that copy of Government Order dated 23th February 1863, No. 439, permitting the sale of waste *before survey* under certain conditions, might perhaps with advantage be added to the compilation. Copy of the Board's Proceedings of 6th October 1864, No. 6,562, embodying the form of Deed to be used in such cases, is herewith submitted.

2. The only Rules that needed correction are Nos. IV. and XI.

3. The system of granting waste land "*on lease*," or in other words, as the Board understand it, for terms of years, at a fixed rate of rent, subject to revision or resumption at the expiration of the term, does not exist in this Presidency.

No. 103. ORDER THEREON, 8th January 1867, No. 52.

Land Revenue.

1. Ordered that the pamphlets received with this letter be forwarded to the Government of India.

2. In the altered Rule IV.* of the *General* Rules for the sale of waste land in the Presidency, the words "canal, backwater, railway, or tramway," used in the original Rule IV., should be retained. The Rule should run as follows :—

"Every lot shall be compact, and as nearly as possible a parallelogram. "When the land touches any public road, navigable river, canal, backwater, "railway, or tramway, the length of the road or water frontage shall not exceed "one-half of the depth of the lot, and in all other cases the blocks will be so laid "out, that as far as practicable their length shall not exceed half their depth."
