Proceedings of the Madras Government, Revenue Department,
17th April 1868.

No. 349. Read the following Proceedings of the Board of Revenue, dated 31st March 1868, No. 2,345.

Read the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated 29th February 1868, No. 42:—

1. I have the honor to submit my report on the application of Toppia Comarusawmy Chetty of Madura, praying for a grant of waste lands of the value of Rupees 60 for the maintenance of a Chuttrum erected by him within the town of Madura, referred to me by His Excellency the Governor during his late tour.

2. I beg to enclose a rough sketch of the Chuttrum. It is a substantial building, constructed of brick-in-chunam at an estimated cost of Rupees 9,000, and has stone pillars, and the walls are of brick-in-chunam faced with stone. Although it is not built according to the standard plan, yet it affords ample accommodation to Brahmins and Sudras, and a small space is allotted for the other classes, which I think will meet their requirements.

3. There are other endowed Chuttrums within ten miles, and the applicant has not obtained the previous authority of the Board. But as it is within the populous and increasing town of Madura, the resort of travellers from different parts of India for religious and mercantile purposes, I recommend that Punjab waste lands in the village of Mangalom, assessed at 60 Rupees, be granted for the support of the Choultry.

4. The applicant further prays for remission of Rupees 2-7-9, being the assessment paid on the site of the Choultry, which is Nunjah Porumboke. Teerwah has been levied on the land since it was sold as a building lot. I beg to recommend that the request be complied with as a special case.

—
ENCLOSURE No. 1.—Rough Sketch of the Chuttrum.

The Chuttrum is not built in accordance with the rules, and the accommodation for classes other than Brahmins and Sudras is very small, but the Board resolve to recommend that the assessment on the site of the building be remitted, and that land rated at Rupees 40 be granted as an endowment.

No. 350. ORDER THEREON, 17th April 1868, No. 1,007.

Land Revenue.

The Government sanction the remission of the assessment on the site of the Chuttrum in question, and the assignment of an endowment in land of the annual value of Rupees 40 from the Punjab waste of the village of Mangalom, as recommended.
