*Proceedings of the Madras Government, Revenue Department,
13th January 1868.*

No. 198. Read the following Proceedings of the Board of Revenue, dated 8th January 1868, No. 86.

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Camp at Jaggampeta, 11th December 1867, No. 344 :—

1. In reply to the Board's Proceedings of the 28th ultimo, calling for the report regarding the imposition of water-tax on the Nidadavole and Baharzally estates, I have the honor to state that Mr. Horsfall, the Acting Sub-Collector, has been engaged lately, in the villages composing these estates, in making the required settlement under instructions from myself.

2. He has had many obstacles thrown in his way, both by the Zemindarnees and the Curnums; but by touring among the villages, he has managed to overcome these somewhat.

3. He has been engaged in this business for the last two months, and I am certain it will take about as much longer to bring the matter to a final settlement. All I can say now is, that from what I have heard of what has been done, it is probable that the future amount to be paid by the holders of these estates will be fully double what is paid at present, and that I shall leave no effort untried to bring the question to a speedy settlement.

Submitted to Government, with reference to their Order, dated 25th January 1863, No. 125, and the subsequent correspondence.

No. 199. ORDER THEREON, 13th January 1868, No. 102.

The Government rely on the Collector's best exertions to enable them to dispose of this matter with as little further delay as possible.
