*Proceedings of the Madras Government, Revenue Department,
21st April 1868.*

No. 444. Read the following letter from the Collector of Malabar, to the Secretary to Government, Revenue Department, Fort St. George, dated Calicut, 16th April 1868, No. 47 :—

1. On applying to the Superintending Engineer, 7th Division, for sums for the repair of Revenue buildings, raising, erecting pandals, &c., as per Memorandum subjoined, he refers me to Government Order, dated 20th November 1867, No. 3,575, which he considers precludes him from supplying funds.

2. But the Government Order quoted was passed after the Budget for this year had gone in. No separate provision was subsequently made, and I see that funds are actually provided in the Budget* of 1868-69 for these works.

* *Vide* page 32.

3. I have, therefore, to request the Superintending Engineer may be instructed to place funds at my disposal forthwith, or that sanction may be accorded me to incur the expenditure and draw funds otherwise.

4. It is most necessary the funds be forthcoming, so that the works may be done before the approaching rains.
