*Proceedings of the Madras Government, Revenue Department,  
21st April 1868.*

---

No. 452. Read the following Proceedings of the Board of Revenue, dated 8th April 1868, No. 2,631.

Read the following letter from the Acting Sub-Collector in charge of Bellary, to the Secretary to the Board of Revenue, dated 24th February 1868, No. 35 :—

1. In December 1864, the 18th Royal Artillery and 17th Lancers marching through this district, a sum of Rupees 250 was intrusted to Kasava Row, a Revenue Inspector in the talook of Penconda to procure supplies. In the re-sale of the articles supplied there accrued a loss of Rupees 48-7-8, which the late Collector directed should be recovered from the Revenue Inspector.

2. But this was not done as the Revenue Inspector refused to make good the loss, and soon after he was tried for criminal breach of trust, imprisoned, and dismissed.

3. A portion, viz., Rupees 21-10-10, of the loss was made good by the salary due to the Inspector at the time of his dismissal, and as there are no means of recovering the balance, Rupees 26-12-10, I have the honor to request sanction for writing off this sum as loss incurred in supplies made to Troops.

1. Under the circumstances stated by the Collector in the foregoing letter, the Board recommend to Government that the Collector be authorized to write off the sum of Rupees 26-12-10 to "Profit and Loss" as irrecoverable.

2. If, as the Acting Sub-Collector in charge states, the loss of Rupees 48-7-8 occurred by the re-sale of the articles purchased for supply to the Troops, the Board do not understand why the Revenue Inspector was called upon to make good the loss. The Collector should explain the matter more fully.

No. 453. ORDER THEREON, 21st April 1868, No. 1,055.

Miscellaneous.

1. Sanctioned, Rupees 26-12-10.
2. The further explanation called for, will be submitted by the Board for the information of Government.
