*Proceedings of the Madras Government, Revenue Department,
13th January 1868.*

No. 204. Read the following Proceedings of the Board of Revenue, dated 8th January 1868.

Read the following letter from the Collector of Madras District, to the Secretary to the Board of Revenue, dated Sydapet, 7th January 1868, No. 2 :—

1. I have the honor to report on the state of the season during the past week.

2. No rain has fallen anywhere. No alteration therefore has occurred in the cultivation.

3. In the talooks of Ponnery, Chingleput, and Madurantakam, the prices continue the same. In Conjeveram, Sydapet, and Trivellore, they have slightly risen. The markets appear to be well supplied with grain, Ponnery and Conjeveram seem to be the only exception, and even there no actual distress is felt at present. The district may, on the whole, be said to be still free from sickness, although small-pox and fever are reported to prevail to some extent in the talooks of Ponnery, Trivellore, and Sydapet; medicines having arrived from the Medical Department, they will be distributed to the different Police stations. Cattle disease prevails in all the talooks except in Chingleput, and a great many animals are reported to have died this week. The Tahsildars have been called upon to make separate reports of the outbreak to Mr. Thacker at once, if they have not already done so, and I have myself addressed Mr. Thacker this day on the same subject, and advised his visiting the afflicted talooks.

4. Pasture is fast disappearing.

Submitted for the information of Government.
