*Proceedings of the Madras Government, Public Works Department,
17th April 1868.*

No. 260. Read the following letter from the Special Executive Engineer, Wynaad, to the Secretary to Government, Department Public Works, dated Luckadie, 28th March 1868, No. 182:—

I have the honor to forward an estimate, amounting to Rupees 546, for repairing the Talook Cutcherry at Manantoddy; the valuation of its materials is Rupees 950, against which Rupees 494-2-10 were spent in 1866-67 towards its repairs, and if the present estimate is taken into account, the total outlay will be Rupees 1,040-2-10. As it is beyond the power of Local Officers to sanction the estimate, I have the honor to request that sanction may be accorded, as the building will not last unless the repair is carried out, and no other accommodation exists for the purposes to which it is at present put.
