*Proceedings of the Madras Government, Revenue Department,
13th January 1868.*

No. 206. Read the following letter from the Collector of Madras, to the Chief Secretary to Government, Fort St. George, dated Sydapet, 3rd January 1868, No. 1 :—

1. The Government having lately appointed to this district Messrs. Turner and McLean on special duty, as a temporary arrangement, and Mr. Maltby as additional permanent Assistant, I have the honor to request you will be good enough to obtain the sanction of Government to my entertaining two Clerks and four Peons on 20 Rupees and 6 Rupees each respectively, for the two Special Assistants during their employment. At present I have detached one of my Office Gumastahs to Mr. Turner, and two Peons, and have desired the Sub-Collector to do the same for Mr. McLean, who is to be employed in the Sub-division talooks; but as this has been done with much inconvenience, and if continued must delay the work in this Office, I beg that sanction may be accorded as quickly as possible to the establishment now requested.

2. I also beg that the Government will be pleased to allow me to re-entertain the Vernacular Clerk on Rupees 35, whom they ordered to be dispensed with in their Proceedings of the 17th June 1867, as in future it seems probable that more than one Assistant will be permanently employed in this district. Two Peons on a salary of 6 Rupees each are also absolutely necessary for this additional Assistant, as none can be spared from the regular establishment, as their numbers are already too few for the work they have to perform.

3. The total cost of the establishment now solicited will amount to Rupees 99 a month, viz., Rupees 52, on account of the two Special Assistants, and Rupees 47 on account of the extra Assistant.
