

*Proceedings of the Madras Government, Revenue Department,
23rd April 1868.*

No. 512. Read the following Proceedings of the Board of Revenue, dated 7th April 1868, No. 2,597.

Read the following letter from the Collector of Kurnool, to the Secretary to the Board of Revenue, dated Kurnool, 6th March 1868, No. 89 :—

I have the honor to forward, for submission to Government, through the Board, a letter from the Deputy Collector of Nundial, with its enclosures, applying for the transfer to the Madras Irrigation and Canal Company of 10 Acres and 18 Cents of land in the village of Ralampad, in the Nizam's dominions, and request that the necessary application may be made to the Nizam's Government for the early transfer of the land in question.

From the Assistant to Chief Engineer, Madras Irrigation and Canal Company, to the Deputy Collector on special duty, Nundial, dated Kurnool, 17th February 1868, No. 29.

1. I have the honor to request you to inform me what steps have been taken towards placing us in possession of the land applied for with our plans Nos. 312, 315, 319, and 320—(see my Nos. 19, 24, 26, and 27 of 5th and 23rd ultimo, and 3rd and 4th instant, respectively.)

2. All this is land urgently required for making the banks fit for the admission of water in a few months, and I have, therefore, the honor to reiterate my request that you will use your best endeavours to have it made over to us as soon as possible.

3. Could you not authorize a competent person to meet and agree with our Engineers on the spot as to the value of any crops that may be standing on the land we require, (or that the owner might sow and reap thereon did we not take possession,) and give us permission to enter upon it at once in anticipation of the formal making over?

From the Deputy Collector of Nundial, to the Collector of Kurnool, dated Caulva, 29th February 1868, No. 34.

1. In submitting herewith a letter, No. 29, and a plan No. 319, from the Assistant to the Chief Engineer of the Madras Irrigation and Canal Company, applying for 10 Acres and 18 Cents of dry land situated in the village of Ralampad, in Nizam's dominions, I beg that you will be pleased to obtain the sanction of His Highness the Nizam, through the Resident at Hyderabad, for the transfer of the land to the Company.

2. As the lands were to be measured, I was not able to address this letter to you earlier than this.
