*Proceedings of the Madras Government, Revenue Department,
27th April 1868.*

No. 590. Read the following letter from the Officiating Inam Commissioner, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 8th April 1868, No. 24 :—

1. In the course of disposing of appeals preferred by the Inamdars, I have found it necessary in several cases to restore Inams resumed, under the orders of this Department, for default of appearance on the part of the Inamdars, or other circumstances. There is still a large number of appeals to be disposed of, and it is probable that there will be many cases in which Inams will have to be restored to the parties.

2. Under the existing practice, no Inam once resumed can be restored without the special sanction of Government ; but as this involves the necessity of frequent references to Government without any corresponding advantage, I have the honor to request that the Government will be pleased to authorize the Collectors in future to restore to the Inamdars, on my requisition, such Inams as have been resumed under the orders of this Department, and to refund such proceeds as have been collected during the period of resumption.

3. The previous sanction of Government will, of course, be obtained in those cases in which the Inams to be restored have been resumed, not at the instance of this Department but by the District Authorities previous to the establishment of the Inam Commission.

No. 591. ORDER THEREON, 27th April 1868, No. 1,122.

Land Revenue.

1. The restoration of Inams consequent on the review in appeal by the Commissioner of the proceedings of the Inam Department, and the refund of collections made for the period between resumption under orders or rules of the Department and the subsequent restoration under the Commissioner's appeal decision, are sanctioned without requiring the reference to Government of each individual case.

2. The Commissioner will submit a quarterly statement of refunds made under this Order for the confirmation of Government.
