*Proceedings of the Madras Government, Revenue Department,
27th April 1868.*

No. 598. Read the following Proceedings of the Board of Revenue, dated 17th April 1868, No. 2,837 :—

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Coonoor, 30th March 1868, No. 99.

1. With reference to paragraph 2 of the Government Order of the 27th ultimo, No. 534, communicated in the Board's Proceedings of the 6th instant, I have the honor to submit the explanation called for regarding the delay which occurred in the submission of the revised Title Deed for Mrs. Schnarre's property at Melkoondah.

2. On receipt of the Proceedings of the Board of Revenue, dated 25th January 1867, No. 549, directing the submission of a fresh Deed, my predecessor wrote*

* 9th February 1867.
to the Special Assistant Collector of Ootacamund on the subject. The original Title Deed and plans, which were sent to the Board in December 1865, not having been returned, fresh plans had to be procured to be attached to the revised Title Deed, and the Special Assistant Collector accordingly sent an application, on the 19th February 1867, to the Revenue Survey Department, but the plans were not received until the 24th August 1867. On the 30th idem, the Title Deed was prepared and sent to Mrs. Schnarre for execution, but she raised unfounded objections to the area of the land entered in the Deed, and all the subsequent delay was attributable to herself, as will be seen from the accompanying copy of a letter and its enclosure, from Mr. Roupell, dated 26th instant, No. 62. The Deed was finally executed by her on the 16th January 1868, and no time was lost afterwards in sending the same to the Board.

From the Acting Special Assistant Collector, to the Collector of Coimbatore, dated Ootacamund, 26th March 1868, No. 62.

1. I have the honor to enclose a Memorandum shewing the dates and purport of references to and from the Survey Department, Mrs. Schnarre, this, and the Collector's office, accounting for the delay that has occurred in the preparation of Title Deeds for the property of Mrs. Schnarre at Melkoondah.

2. It will be observed that a considerable part of the delay is attributable to Mrs. Schnarre herself, who raised unfounded objections to the extent of the land, and generally manifested an indifference to supplement my endeavours to place her in early possession of Title Deeds for her property.

Memorandum shewing the dates and purport of references to and from the Survey Department, Mrs. Schnarre, and the Collector's office, in the case of Mrs. Schnarre's Title Deeds.
